

Enjoy the
countryside?

West Sussex iMap

Explore the countryside with the
West Sussex Interactive Map (iMap)!

The new iMap is designed for all lovers of the
countryside, including walkers, riders, and
cyclists.

Showing all the rights of way in West Sussex, as
well as long distance paths, shorter walks
and walks for wheelchair users, you can also
find pubs, accommodation, and
information about nature reserves and National
Trust properties in the county.

Try it for yourself – visit the iMap at
