

West Sussex County Council
(Littlehampton: Public Footpath 3110) (Temporary Closure) Order 2023

NOTICE is hereby given that West Sussex County Council has made an Order under the Road Traffic Regulation Act 1984, the effect of which will be to temporarily close Public Footpath 3110 in Littlehampton, from the southern end of the West Beach car park, southwards for a distance of 65m.

The closure of this route is needed to maintain public safety due to erosion of the river wall on which the footpath runs.

The Order continues the effect of a previously issued emergency closure notice and will come into effect on 23 March 2023. It will remain in effect for 6 months, after which an extension may be necessary if repair works are not completed.

Unfortunately, during the operative period of this order, no direct alternative route is available via the public rights of way network. Where possible alternative access to the beach will be provided.

Any queries about the effect of the Order on traffic using the highway should be directed to the West Sussex County Council Contact Centre, telephone number 01243 642105.
