

CARE LEAVERS ADVISORY BOARD

CLAB

WHY JOIN THE CARE LEAVERS ADVISORY BOARD?

What is it?

The Care Leavers Advisory board is a group of care leavers supported by West Sussex, aged 18-25 who are passionate about improving services for young people who have been in care.

What does the board do?

The board works with different services like the Care Leavers service, health, education, job centres, and housing. The group ensure that decision makers and elected members are held to account, meeting with them on a regular basis to effect change. The group members represent care leavers in different service meetings and even go on their own residential trip!

How do I join?

The group meet in Worthing on Tuesdays whilst having food (usually pizza!) We are always looking for new members so come and join us! Ask your PA for more information or email/text below.
