

Dear Applicant,

On behalf of the children and staff of Kingslea Primary School, I would like to thank you for expressing your interest in the post of Deputy Headteacher.

We are looking for a Deputy Headteacher to join us in September 2015, to form a strong partnership with myself and the leadership team. I will also be new to the school in September and have been given the exciting opportunity to appoint a new Deputy Headteacher.

Our key priority is to ensure the highest quality teaching and learning experience for all of our children. This is an opportunity for an excellent practitioner to help lead and support the development of high quality learning across the school. Our aim is for all teachers to work collaboratively throughout the school to develop their practice and to be innovative in the classroom.

Kingslea places real value on partnerships with parents, other schools and with the wider community. Working with children means working with their families, providing care and support where needed and enabling parents to foster in their children, great attitudes to school and learning. We believe passionately that every child has a right to succeed.

The Governors and I are united in our aim to see every child attain the highest levels of achievement in all aspects of their development and are committed to a clear vision of developing an outstanding school in the heart of its community.

In order to make our vision a reality, we are looking to appoint a strong and highly motivated Deputy Headteacher who is able to lead teaching and learning through a coaching and mentoring approach, to ensure that teaching is consistently good across all year groups. Essential strengths will include outstanding teaching skills, vision, imagination, energy and resilience. In return we not only offer an exciting opportunity to develop your leadership skills but also a rewarding and professional challenge to work as a key member of the leadership team.

If you are someone who shares my passion for improving the lives of all the pupils in our community, then please make an appointment to come and see what makes Kingslea so special.

I look forward to meeting you.

Yours sincerely,

Alexis Conway
