May 2015

Dear Prospective Candidate,

I am delighted that you have shown an interest in becoming part of our growing team at Seaside Primary School.

We are looking to appoint good to outstanding teachers to join our dedicated, friendly and professional team. The posts offer an exciting range of opportunities and professional development both within and beyond our school.

Teachers appointed over recent years have the following to add:

*"Seaside is a fantastic school! As soon as I walked through the door I knew this is where I wanted to progress from trainee, NQT to a fully qualified teacher..... 3 years later and I'm still here and enjoying the new experiences that seem to crop up every week! The children make this school, they may not all be perfect, but they try so hard and want to succeed. The friendly 'staff unit' is always there to share experiences and challenges, no one ever turns you away if you need advice or support. I've been really lucky to start my teaching career here!" S Grant Year 1 Teacher*

*"The children at Seaside make me smile every day. They are full of character and therefore the classrooms are filled with laughter. The support and encouragement from my colleagues allows me to improve my teaching consistently" E Grubb Year 3 Teacher*

*"Seaside has provided me with an incredibly supportive and encouraging environment in which to start, continue and develop my teaching career. I feel very lucky to work in such a fantastically modern and well equipped building with an amazing set of staff and children." I.Cordwell Year 5 Teacher*

*"Great staff, great facilities and lots of opportunities for career development. The children are fantastic to work with and there is always support and encouragement to develop your own teaching style. S Bacon Year 6 Teacher*

## Building Futures Together

*"Seaside is a place of fun, laughter and passion. We share a love of learning with the children that creates a buzz in lessons, at playtime and throughout the school. Teachers are supported, motivated and encouraged to always do the very best for the children." A Gordon Year 3 Teacher*

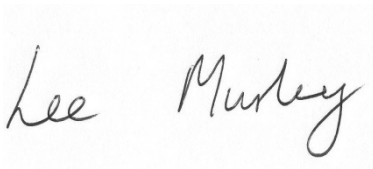

We welcome applications from qualified teachers and NQT's. Middle leaders looking to gain valuable experience for future TLR or leadership positions may also be attracted to this vacancy. Therefore, wherever your expertise or experience lies, we have the ideal post for you.

Please take an opportunity to visit the school for a tour, where I would be pleased to meet you in person and show you what amazing children and facilities we have here at Seaside.

Seaside is a modern and ambitious school, which is well resourced and enjoys an outstanding learning environment. Above all, it is a great place to work, with happy, enthusiastic children and a supportive and fun team of adults. We really believe that at Seaside 'Everybody Matters, Everybody Succeeds'.

I look forward to hearing from you and welcoming you to our school.

Kind regards,

A handwritten signature in black ink that reads "Lee Murley". The signature is written in a cursive, flowing style.

Mr Lee Murley  
Headteacher
