## THE CURRICULUM AT CHIDHAM

The curriculum at Chidham is designed to fulfil all aspects of the Foundation Stage and National Curriculum for 5-11 years old. We believe in nurturing a child's growing independence by enabling them to generate their own ideas and apply what they have learnt in a variety of ways.

The curriculum is delivered through termly topic work. Our Reception children follow a 1-year cycle of topics, with the rest of the school following a 2-year cycle. Within these termly topics, we aim to provide children with creative days so they can immerse themselves and engage with their topic subject and prepare them for the learning journey ahead that term.

We actively seek trips and educational experiences beyond the classroom to enhance and embed this learning and understanding and encourage sharing of this wherever possible with the wider community.

Dedicated whole-school topic weeks are built into our yearly learning which brings together all children from across the school to explore and focus on the same topic, whether it be a Citizenship Week, Arts Week or Sports Week, from the oldest to the youngest share together their learning together as a whole school.

Music, Art and the Performing Arts are fully embraced at Chidham, with a wide range of in-school learning taking place, accumulating in shared art exhibitions, music concerts and theatrical performances.

We are also very proud of the sporting opportunities we offer our children. All children in the school are encouraged to take part in inter-school sporting events across the locality with 99% of children taking part in a sporting event in the academic year 2016/17. We also offer a wide range of extra-curricular clubs including Sports, Music, Performing Arts and Forest School.
