NOTICE is hereby given that West Sussex County Council proposes to make a permanent Traffic Regulation Order under the provisions of the Road Traffic Regulation Act 1984, the effect of which will be to extend the length of an existing double yellow line on the north side of Dolphin Road in Shoreham-by-Sea, located immediately west of its junction with the northern spur of Dolphin Road.

The Order also consolidates the existing lengths of double yellow lines on the northern spur of Dolphin Road, Ship Street Hard and Town Quay. These lines have been in place for some time but were omitted from the present Order in error. The new Order also resolves an error in road name labelling in the section of the present Order covering Western Road. This part of the Order makes no changes to the restrictions presently in place on the affected lengths of road.

Full details of the proposals in this notice can be viewed on our website at www.westsussex.gov.uk. The website includes a response form for any comments or objections.

The documents may also be inspected at County Hall Chichester, during normal office hours, and at Shoreham-by-Sea Library, St Marys Road, Shoreham-by-Sea during normal library opening hours.

Any comments or objections about the proposal must be received before 14 September 2017. These may be submitted via the response form on the website mentioned above, by e-mail to tro.team@westsussex.gov.uk or in writing to TRO Team, West Sussex County Council, The Grange, Tower Street Chichester, PO19 1RH. For legal reasons, only correspondence including a full name and address will be considered. Please quote reference ADR1702-MM in all correspondence.

Dated this 24th day of August 2017.

(Shoreham-By-Sea: Dolphin Road Amendment) (And Various Roads Consolidation) Order 2017  

STATEMENT OF REASONS FOR PROPOSING TO MAKE THE ORDER

West Sussex County Council proposes to make a permanent Traffic Regulation Order that will extend the length of an existing double yellow line on the north side of Dolphin Road in Shoreham-by-Sea, located immediately west of its junction with the northern spur of Dolphin Road.

Dolphin Road is a cul-de-sac providing access to a number of large industrial units. HGVs delivering to the industrial units frequently have to turn round in the junction with the northern spur of Dolphin Road. Cars parking at this location make this manoeuvre difficult and hazardous for HGVs. The junction is presently protected with double yellow lines and it is proposed to extend the length of these to prevent HGVs being obstructed and improve safety.

The Order also consolidates the existing lengths of double yellow lines on the northern spur of Dolphin Road, Ship Street Hard and Town Quay. These lines have been in place for some time but were omitted from the present Order in error. The new Order also resolves an error in road name labelling in the section of the present Order covering Western Road.

This part of the order is being made for housekeeping reasons and does not make any changes to the present layout of the parking restrictions on the affected lengths of roads.

The new Order is therefore proposed to facilitate the passage of traffic and to avoid danger to persons or traffic using the affected length of road.

The attached drawings, numbered TQ2104NWN, TQ2105SEN, TQ2105SWN, TQ2105SWS and TQ2305SWS show the lengths of roads affected by the proposed Order.
