

Comments, compliments and complaints about Adults' Social Care

How to:

- Make a comment about your service.
- Tell us something good about your service (a compliment).
- Complain about your service.

Appeal or Complaint?

If you don't agree with decisions made by your local social care office about:

- if you should have funded support.
- your assessment.
- how much money you have been given for your support.
- what is in your support plan.

Then you could make an appeal instead of a complaint.

Please ask us about this if you want to know more.

How to sort out your complaint

Talk about it

Talk or write to the person who provides your service.

If your problem can't be sorted out immediately or you don't want to talk to that person, you can contact the customer relations team.

Their contact details are on the first page.

You can give the customer relations team your phone number and they will ring you back to talk about your complaint.

Looking into your complaint

We will ask a manager to look into your complaint.

When we have looked into your complaint, we tell you what we have found out.

We will tell you if we can do the things you want, to solve the problem.

If you are happy with this, your problem will be solved.
