

A house for all occasions

Edes House is a stunning grade 1 listed building, dating back to 1696. In the heart of the City of Chichester within easy reach of public transport.

The meeting rooms available are ideal for intimate meetings/interviews for four people up to a seminar for eighty people. Each room here boasts natural daylight and individual décor creating an inspiring place to hold your meeting or event and motivate your delegates. If you are looking for a variety of spaces but would like privacy and confidentiality then why not hire the entire house allowing you to have breakout areas and areas for workshops if required. Our Meeting Managers can help you meet the objective of the meeting or training, including arranging off site team building, a casino night or local accommodation.

Room Hire rates are available on request and fluctuate according to the time of year, lead in time and requirement. We offer hourly hires for that quick meeting that you need to get out the office for through to daily hire and if it's last minute then please ask for our standby rate which is available up to 48 hours beforehand from just £25 per hour
