PUBLIC NOTICE

WEST SUSSEX COUNTY COUNCIL
ROAD TRAFFIC REGULATION ACT 1984 - SECTION 23

HASSOCKS: LONDON ROAD
PEDESTRIAN CROSSING PLACE

NOTICE is hereby given that West Sussex County Council proposes to install a signal-controlled crossing for pedestrians and cyclists (toucan crossing) on London Road in Hassocks, immediately north of its junction with Stanford Avenue.

Documents containing more information about the proposed crossing can be viewed on our website at www.westsussex.gov.uk/tro from 16 August 2018. The website includes a response form for any comments or objections.

The above documents may also be inspected at Hurstpierpoint Library, Trinity Road, Hurstpierpoint from the above date during normal library opening hours, and at County Hall, Chichester, during normal office hours.

Library staff will NOT be in a position to answer questions on the proposal and any enquiries should be addressed to the undersigned.

Any objections or comments about the proposal must be received by 30 August 2018. These may be sent in writing to: TRO Team, West Sussex County Council, The Grange, Tower Street, Chichester, PO19 1RH, by email to: tro.team@westsussex.gov.uk or via the response form on the website.

Dated this 16th day of August 2018.

WEST SUSSEX COUNTY COUNCIL
ROAD TRAFFIC REGULATION ACT 1984 - SECTION 23

HASSOCKS: LONDON ROAD
PEDESTRIAN CROSSING PLACE

STATEMENT OF REASONS
FOR PROPOSING THE PEDESTRIAN CROSSING

West Sussex County Council proposes to install a signal-controlled crossing for pedestrians and cyclists (toucan crossing) on London Road in Hassocks, immediately north of its junction with Stanford Avenue.

Planning permission has been granted for the construction of 97 new homes on land to the west of London Road in Hassocks. The planning consent specifies that to provide safe pedestrian and cycle access to the new development the developer must install a new toucan crossing at the site of an existing pedestrian traffic island immediately north of Stanford Avenue.

The new crossing is therefore proposed to improve the amenity of the local area and to provide safe access to the new development.

The attached drawing, numbered TQ2195NES shows the location of the proposed crossing.
