West Sussex County Council (Worthing: Jupps Lane) (Prohibition of Heavy Commercial Vehicles) Order 2018

**STATEMENT OF REASONS
FOR PROPOSING TO MAKE THE ORDER**

West Sussex County Council proposes to make a permanent Traffic Regulation Order that will prohibit heavy commercial vehicles from using Jupps Lane between its junction with Goring Way North and its junction with Mulberry Lane.

The Goring Business Park is located on roads leading from Mulberry Lane and is frequently accessed by lorries. Jupps Lane runs from the A259 to Mulberry Lane and reports have been received that lorries attempting to access the business park via this route have been unable to pass parked cars, on some occasions having to reverse back along the road onto the A259. This manoeuvre is considered dangerous. Damage to parked cars on Jupps Lane has also been reported.

It is proposed to resolve this situation by prohibiting heavy commercial vehicles from using Jupps Lane. Lorry access to Goring Business Park will be retained via Mulberry Lane, which is currently the locally signed route for such vehicles.

The new Order is therefore proposed to avoid danger to persons or traffic using the affected lengths of roads and to facilitate the passage of traffic.

The attached drawing, numbered WOR1801 shows the length of road affected by the proposed prohibition of Heavy Commercial Vehicles.
