

What is an advocate

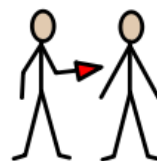

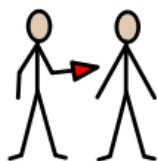

An advocate is a person that works only for you.

An advocate will:

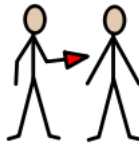

Listen to you.

Help you find out what choices you have.

Do things for you.

The Advocacy team will:

Keep

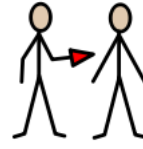

records

of their

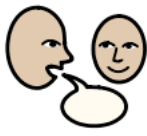

work

with

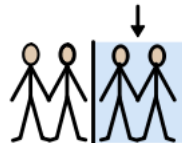

you.

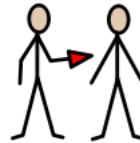

Only

talk to

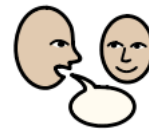

other people

if

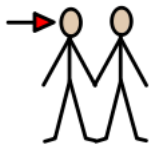

you

say

it is okay.

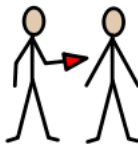

If

they

think that

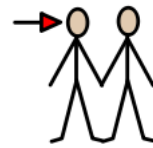

you

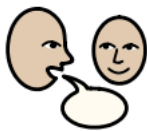

are in

danger

they

will

tell

someone

to

help

keep you safe.
