

## Corporate Services

### Join us and make a difference in our communities

West Sussex County Council is a diverse organisation that provides services to more than 850,000 residents every day. As one of the main employers in the County, we have a number of responsibilities as a local authority and work with partner organisations to deliver our services to improve the lives of West Sussex residents.

### About this area

Employees in this area work closely with front line services to deliver positive outcomes. This includes the delivery of staff training, IT support and project management as well as being responsible for the Human Resources function. Our Finance teams ensure that our services are cost-efficient and that we maintain financial control. Our Legal teams provide advice to all services, in addition to our Democratic teams who facilitate the political responsibilities of the Council. We also have a Communications team who ensure clear messages are delivered to the residents of West Sussex.
