

Environment and Infrastructure

Join us and make a difference in our communities

West Sussex County Council is a diverse organisation that provides services to more than 850,000 residents every day. As one of the main employers in the County, we have a number of responsibilities as a local authority and work with partner organisations to deliver our services to improve the lives of West Sussex residents.

About this area

Employees in this area focus on making West Sussex a strong and prosperous place. Our Highways team manages the day to day operations of our roads and enable our residents to stay connected around the county. All our teams take a sustainable approach in order to create a better quality of life for now and for years to come. They do this by striving to achieve efficiency savings, reduce the quantity of natural resources that we consume and ensure our services run as sustainably as possible, in order to provide the best outcomes for the future.
