(Adur District) (Parking Places & Traffic Regulation) (Consolidation) Order 2009

(Shoreham Beach: Various Roads Amendment) Order 2019

STATEMENT OF REASONS
FOR PROPOSING TO MAKE THE ORDER

West Sussex County Council proposes to make a permanent Traffic Regulation Order that will change the restriction applying to the existing seasonal single yellow lines in Shoreham Beach from 'No Waiting 8am to 6pm Sat & Sun 1 Apr to 30 Sep' to 'No Waiting 8am to 6pm any day'.

The roads affected by this change are: Beach Green, Beach Road, Kings Walk, Kingston Bay Road, Old Fort Road and West Beach Road.

The present seasonal parking restrictions on the single yellow lines in Shoreham Beach have been in place for some time and were installed with the intention of preventing parking from causing obstruction at times of the year when the area was particularly busy with visitors to the beach. In recent years the area has attracted increasing numbers of visitors all year round, with the result that the seasonal restrictions are no longer adequate to prevent high demand for parking causing obstruction on the areas narrow roads.

It is therefore proposed to remove the seasonal restriction and replace it with a restriction that will maintain safe access throughout the year.

The Order also prohibits waiting at any time (double yellow lines) on both sides of West Beach Road, from its junction with Kings Crescent, westwards to the western end of the road, and changes the restriction on the present single yellow lines on Beach Green (between its junctions with Kings Walk and Beach Road), Forthaven and Kingston Bay Road, to a restriction prohibiting waiting 8am to 6pm any day.

The length of West Beach Road that provides access to the Widewater Car Park presently has a single yellow line that allows parking on the south side of the road in the evenings and on Sundays. This length of West Beach Road is narrow and vehicles parking at this location cause obstruction to vehicles passing along the road. This combination of narrow road width and parked vehicles is also a particular problem when cyclists accessing the seafront cycle route encounter motor vehicles traveling on this section of the road. The proposed double yellow lines on this section of road are intended to resolve these issues.

On Beach Green it is reported that the current single yellow lines prohibiting waiting from 8am to 6pm Mon to Sat between Kings Walk and Beach Road are inadequate as parking at this location on a Sunday also causes obstruction. The restriction applying to these lines, and on similar lines in Forthaven and Kingston Bay Road is therefore being amended to apply on any day.

The new Order is therefore proposed to facilitate the passage of traffic.
