WEST SUSSEX COUNTY COUNCIL
(HORSHAM: PARK TERRACE EAST)
(ONE-WAY TRAFFIC) ORDER 2019

STATEMENT OF REASONS
FOR PROPOSING TO MAKE THE ORDER

The County Council in exercise of their powers under the Road Traffic Regulation Act 1984, propose to introduce a permanent Order the effect of which will be to permit pedal cyclists to travel southwards on Park Terrace East between Burnham Place and Queen Street

Improvements to cycling routes in Horsham Town Centre are being promoted by West Sussex County Council as part of the programme of Local Transport Improvements.

The measures are intended to give cyclists more route options and to enable them to choose quieter, less trafficked, routes. This aims to help promote cycling, with the corresponding benefits for reducing motor traffic and road congestion, improving air quality and personal health and fitness.

The proposal will amend the existing one-way Traffic Regulation Order to permit cycling against the flow of traffic in Park Terrace East.

It is considered that permitting contra-flow cycling on this road will provide an alternative route for cyclists from using the narrow section of New Street (where there has been cyclist injury). The new exit for cyclists from Park Terrace East has adequate visibility and the adjacent controlled crossing on East Street/Brighton Road will create gaps in the traffic to assist cyclists exiting the side road.

This Order is proposed so as to facilitate the passage on the road or any other road of any class of traffic (including pedestrians).

Plan HON8033 proposed contra-flow cycling 24.01.2019 shows the length of road, which is the subject of the proposed Order.
