WEST SUSSEX COUNTY COUNCIL
(WEST WITTERING: B2179 CHICHESTER ROAD)
(40MPH SPEED LIMIT) ORDER 2019

Statement Of Reasons For Proposing To Make The Order

The County Council in exercise of their powers under the Road Traffic Regulation Act 1984, propose to make a permanent Order the effect of which will be to introduce a 40mph speed limit on a length of the B2179 Chichester Road from West Wittering village to a point 30 metres east of Redlands Lane.

The B2179 is a classified road within the Parish of West Wittering currently subject to a 50mph speed limit. Concerns have been raised locally about road safety and general traffic speed and the South Chichester County Local Committee selected the proposal to reduce the speed limit for inclusion in the 2019/20 works programme.

Following a review of speed limits in accordance with the Speed Limit Policy it is proposed to lower the existing 50mph, in part, on the Chichester Road to a 40mph speed limit.

It is considered that the 40mph speed limit better reflects the character of the road

The primary aim of the initiative is to enhance road safety and casualty prevention. It is intended that this approach will not compromise the effectiveness of existing speed limits around the County.

The proposed lower speed limit is compliant with the County Council's Speed Limit Policy and is deemed appropriate to reduce potential danger to pedestrians due to the volume and nature of traffic using the road.

This Order is proposed so as to reduce danger to persons or other traffic using the road or to minimise the likelihood of any such danger arising, and for preserving or improving the amenity of the area through which the road runs.

Drawing CHS1901 West Wittering xxx shows the length of road, which is the subject of the proposed order.
