(30MPH SPEED LIMIT) ORDER 2019

Statement Of Reasons For Proposing To Make The Order

The County Council in exercise of their powers under the Road Traffic Regulation Act 1984, propose to make a permanent Order the effect of which will be to introduce a 30mph speed limit on the length of Loxwood Road and Plaistow Road that runs through Ifold village, from west of Poundfield Lane eastwards to a point east of The Drive.

Loxwood Road/Plaistow Road is a ‘C’ classified road currently subject to a 40mph speed limit. Concerns have been raised locally about road safety and general traffic speed and the North Chichester County Local Committee selected the proposal to reduce the speed limit for inclusion in the 2019/20 works programme.

Following a review of speed limits in accordance with the Speed Limit Policy it is proposed to lower the existing 40mph on the Loxwood Road/Plaistow Road through the village of Ifold to a 30mph speed limit.

The primary aim of the initiative is to enhance road safety and casualty prevention. It is intended that this approach will not compromise the effectiveness of existing speed limits around the County.

The proposed lower speed limit is compliant with the County Council’s Speed Limit Policy and is deemed appropriate through the village.

This Order is proposed so as to reduce danger to persons or other traffic using the road or to minimise the likelihood of any such danger arising, and for preserving or improving the amenity of the area through which the road runs.

Drawing CHN2018_1 Loxwood Road & Plaistow Road shows the length of road, which is the subject of the proposed order.
