WEST SUSSEX COUNTY COUNCIL
(HORSHAM: THE BOULEVARD & HILLS FARM LANE)
(PROHIBITION OF VEHICULAR TRAFFIC & PROHIBITED TURNS)
ORDER 201*

STATEMENT OF REASONS FOR PROPOSING TO MAKE THE ORDER

The County Council in exercise of their powers under the Road Traffic Regulation Act 1984, propose to introduce a permanent Order the effect of which will be to:

- (a) prohibit motor vehicles from using The Boulevard (Bridge); and
- (b) prohibit vehicles, except buses and pedal cycles from making a left or right turn into The Boulevard from Hills Farm Lane

Horsham District Council granted planning permission subject to a number of conditions for a comprehensive development on land to the east of the A24, Horsham, primarily for residential purposes known as the Highwood development

Alterations to the existing highway infrastructure associated with the Highwood development were secured via a planning obligation. This includes provisions of two new access points constructed off Hills Farm Lane and a primary vehicular access constructed via a new junction on the A24.

In the early stages of development it was agreed that the northern access bridge across Boldings Brook, between Hills Farm Lane and Rivers Walk, would be used as the temporary residential access to Highwood whilst the new access junction on the A24 to the west of the site was completed. Now that the A24 junction has been completed the bridge across Boldings Brook will be closed to motor vehicles, with the exception of emergency vehicles.

The southern access including Arun East Bridge will provide a route for use by pedestrians, pedal cycles and buses only. Vehicular movements will be restricted and both left and right turns from Hills Farm Lane prohibited.

This Order is proposed for preventing the use of the road by vehicular traffic of a kind which or its use by vehicular traffic is unsuitable to the existing character of the road.
