**ORDER 201\***

**STATEMENT OF REASONS FOR PROPOSING TO MAKE THE ORDER**

The County Council in exercise of their powers under the Road Traffic Regulation Act 1984, propose to introduce a permanent Order the effect of which will be to:

- (a) prohibit vehicles except buses and pedal cycles travelling westbound from using Broadbridge Way between the eastern arm of Sargent Way and the central square; and
- (b) prohibit vehicles, except buses and pedal cycles from making a left turn onto Broadbridge Way from Sargent Way

As part of the planning permission for the Neighbourhood Centre serving Wickhurst Green it was agreed at outline planning stage that the former A264, Broadbridge Way, would be downgraded to be used as a route for buses and cycles only.

The section of Broadbridge Way between the eastern arm of Sargent Way and the central square will be restricted to a single lane one-way only westbound. Only buses and cycles will be permitted to use travel westbound on this section of Broadbridge Way.

Vehicles, except buses and cycles, exiting Sargent Way will be prohibited from turning left onto Broadbridge Way.

Downgrading the former A264 will reduce traffic noise for neighbouring properties and improve walking and cycling access for residents. This will encourage vehicles to use the new A264 whilst promoting use of sustainable and public transport.

This Order is proposed for avoiding danger to persons or other traffic using the road or for preventing the likelihood of any such danger arising, for facilitating the passage on road of any class of traffic and for preserving or improving the amenities of the area through which the road runs.
