West Sussex County Council
(Worthing) (Parking Places & Traffic Regulation) (Consolidation) Order 2007)

(Salvington Hill Amendment) Order 2019

STATEMENT OF REASONS
FOR PROPOSING TO MAKE THE ORDER

West Sussex County Council proposes to make a permanent Traffic Regulation Order, the effect of which will be to prohibit waiting at any time (install double yellow lines) on both sides of Salvington Hill in Worthing, from its junction with the A27, northwards to a point 35 metres north of its junction with Broadview Gardens

Salvington Hill narrows at its southern end as it approaches the A27. At this point the road runs adjacent to the Swandean Lodge NHS facility which increases the demand for parking on this section of road. It is reported that the narrow width of the road, combined with high levels of parking at this location prevents vehicles travelling in opposite directions from passing each other, and that when southbound traffic is queued waiting to turn onto the A27, vehicles turning into the road cannot pass. This leads to obstructed northbound vehicles queuing back onto the A27, increasing traffic problems on this busy trunk road.

It is proposed to resolve this problem by prohibiting parking on the narrow section of Salvington Hill near the junction, which will allow traffic to pass and avoid queues obstructing the A27, a situation which is considered dangerous.

The new Order is therefore proposed to facilitate the passage of traffic and to avoid danger to persons or traffic using the road.

The attached drawing TQ1205NWN shows the length of road affected by the proposed Order.
