(Adur District) (Parking Places & Traffic Regulation) (Consolidation) Order 2009
(Shoreham-By-Sea: Old Shoreham Road Amendment) Order 2019

STATEMENT OF REASONS
FOR PROPOSING TO MAKE THE ORDER

West Sussex County Council proposes to make a permanent Traffic Regulation Order that will prohibit waiting at any time (install double yellow lines) on the western side of Old Shoreham Road in Shoreham-By-Sea at the entrance to a new property development, located opposite the junction of Buckingham Street.

A new property development, named Shoreham Waterfront is being constructed on land west of Old Shoreham Road. Access to this development will be via a new junction on Old Shoreham Road, opposite the junction of Buckingham Street. If vehicles park too close to this new junction, visibility for vehicles emerging onto Old Shoreham Road would be restricted, causing a hazard on this busy road. It is therefore considered necessary to prohibit waiting near the new junction to protect safety.

The new order is therefore proposed to avoid danger to persons or traffic using the affected length of road and to facilitate the passage of traffic.

It is also proposed to introduce a new signal-controlled pedestrian crossing on Old Shoreham Road, outside the Swiss Cottage Public House. The installation of this crossing is being funded by the developer building the Shoreham Waterfront development. This development is expected to increase the number of pedestrians crossing the road at this point, including children on their way to local schools east of Old Shoreham Road. It is considered that a new crossing at this location will provide useful amenity, improve safety and encourage sustainable travel.

The attached drawing, numbered TQ2105SWN shows the length of road affected by the proposed waiting restrictions. The Drawing titled Surface & Loops shows the layout of the proposed pedestrian crossing.
