# PUBLIC NOTICE

**WEST SUSSEX COUNTY COUNCIL**  
**ROAD TRAFFIC REGULATION ACT 1984 - SECTION 23**

**LANCING: CRABTREE LANE**  
**PEDESTRIAN CROSSING PLACE**

NOTICE is hereby given that West Sussex County Council proposes to install a signal-controlled pedestrian crossing on Crabtree Lane in Lancing approximately 25 metres west of its junction with Wembley Avenue. This location is currently the site of a pedestrian refuge island.

Documents containing more information about the proposed crossing can be viewed on our website at [www.westsussex.gov.uk/tro](http://www.westsussex.gov.uk/tro) from 4 March 2020. The website includes a response form for any comments or objections.

The above documents may also be inspected at Lancing Library, Penstone Park, Lancing from the above date during normal library opening hours, and at County Hall, Chichester, during normal office hours.

Library staff will NOT be in a position to answer questions on the proposal and any enquiries should be addressed to the undersigned.

Any objections or comments about the proposal must be received by 18 March 2020. These may be sent in writing to: TRO Team, West Sussex County Council, The Grange, Tower Street, Chichester, PO19 1RH, by email to: [tro.team@westsussex.gov.uk](mailto:tro.team@westsussex.gov.uk) or via the response form on the website.

Dated this 4th day of March 2020.

**West Sussex County Council**  
**Road Traffic Regulation Act 1984 – Section 23**

**Lancing: Crabtree Lane**  
**Pedestrian Crossing Place**

**Statement of Reasons**  
**for Proposing to Install the Crossing**

West Sussex County Council proposes to install a new signal-controlled Puffin crossing on Crabtree Lane in Lancing, approximately 25 metres west of its junction with Wembley Avenue. This location is currently the site of a pedestrian refuge island.

The requirement for a crossing at this location has been identified during work on the travel plan for The Globe Primary School.

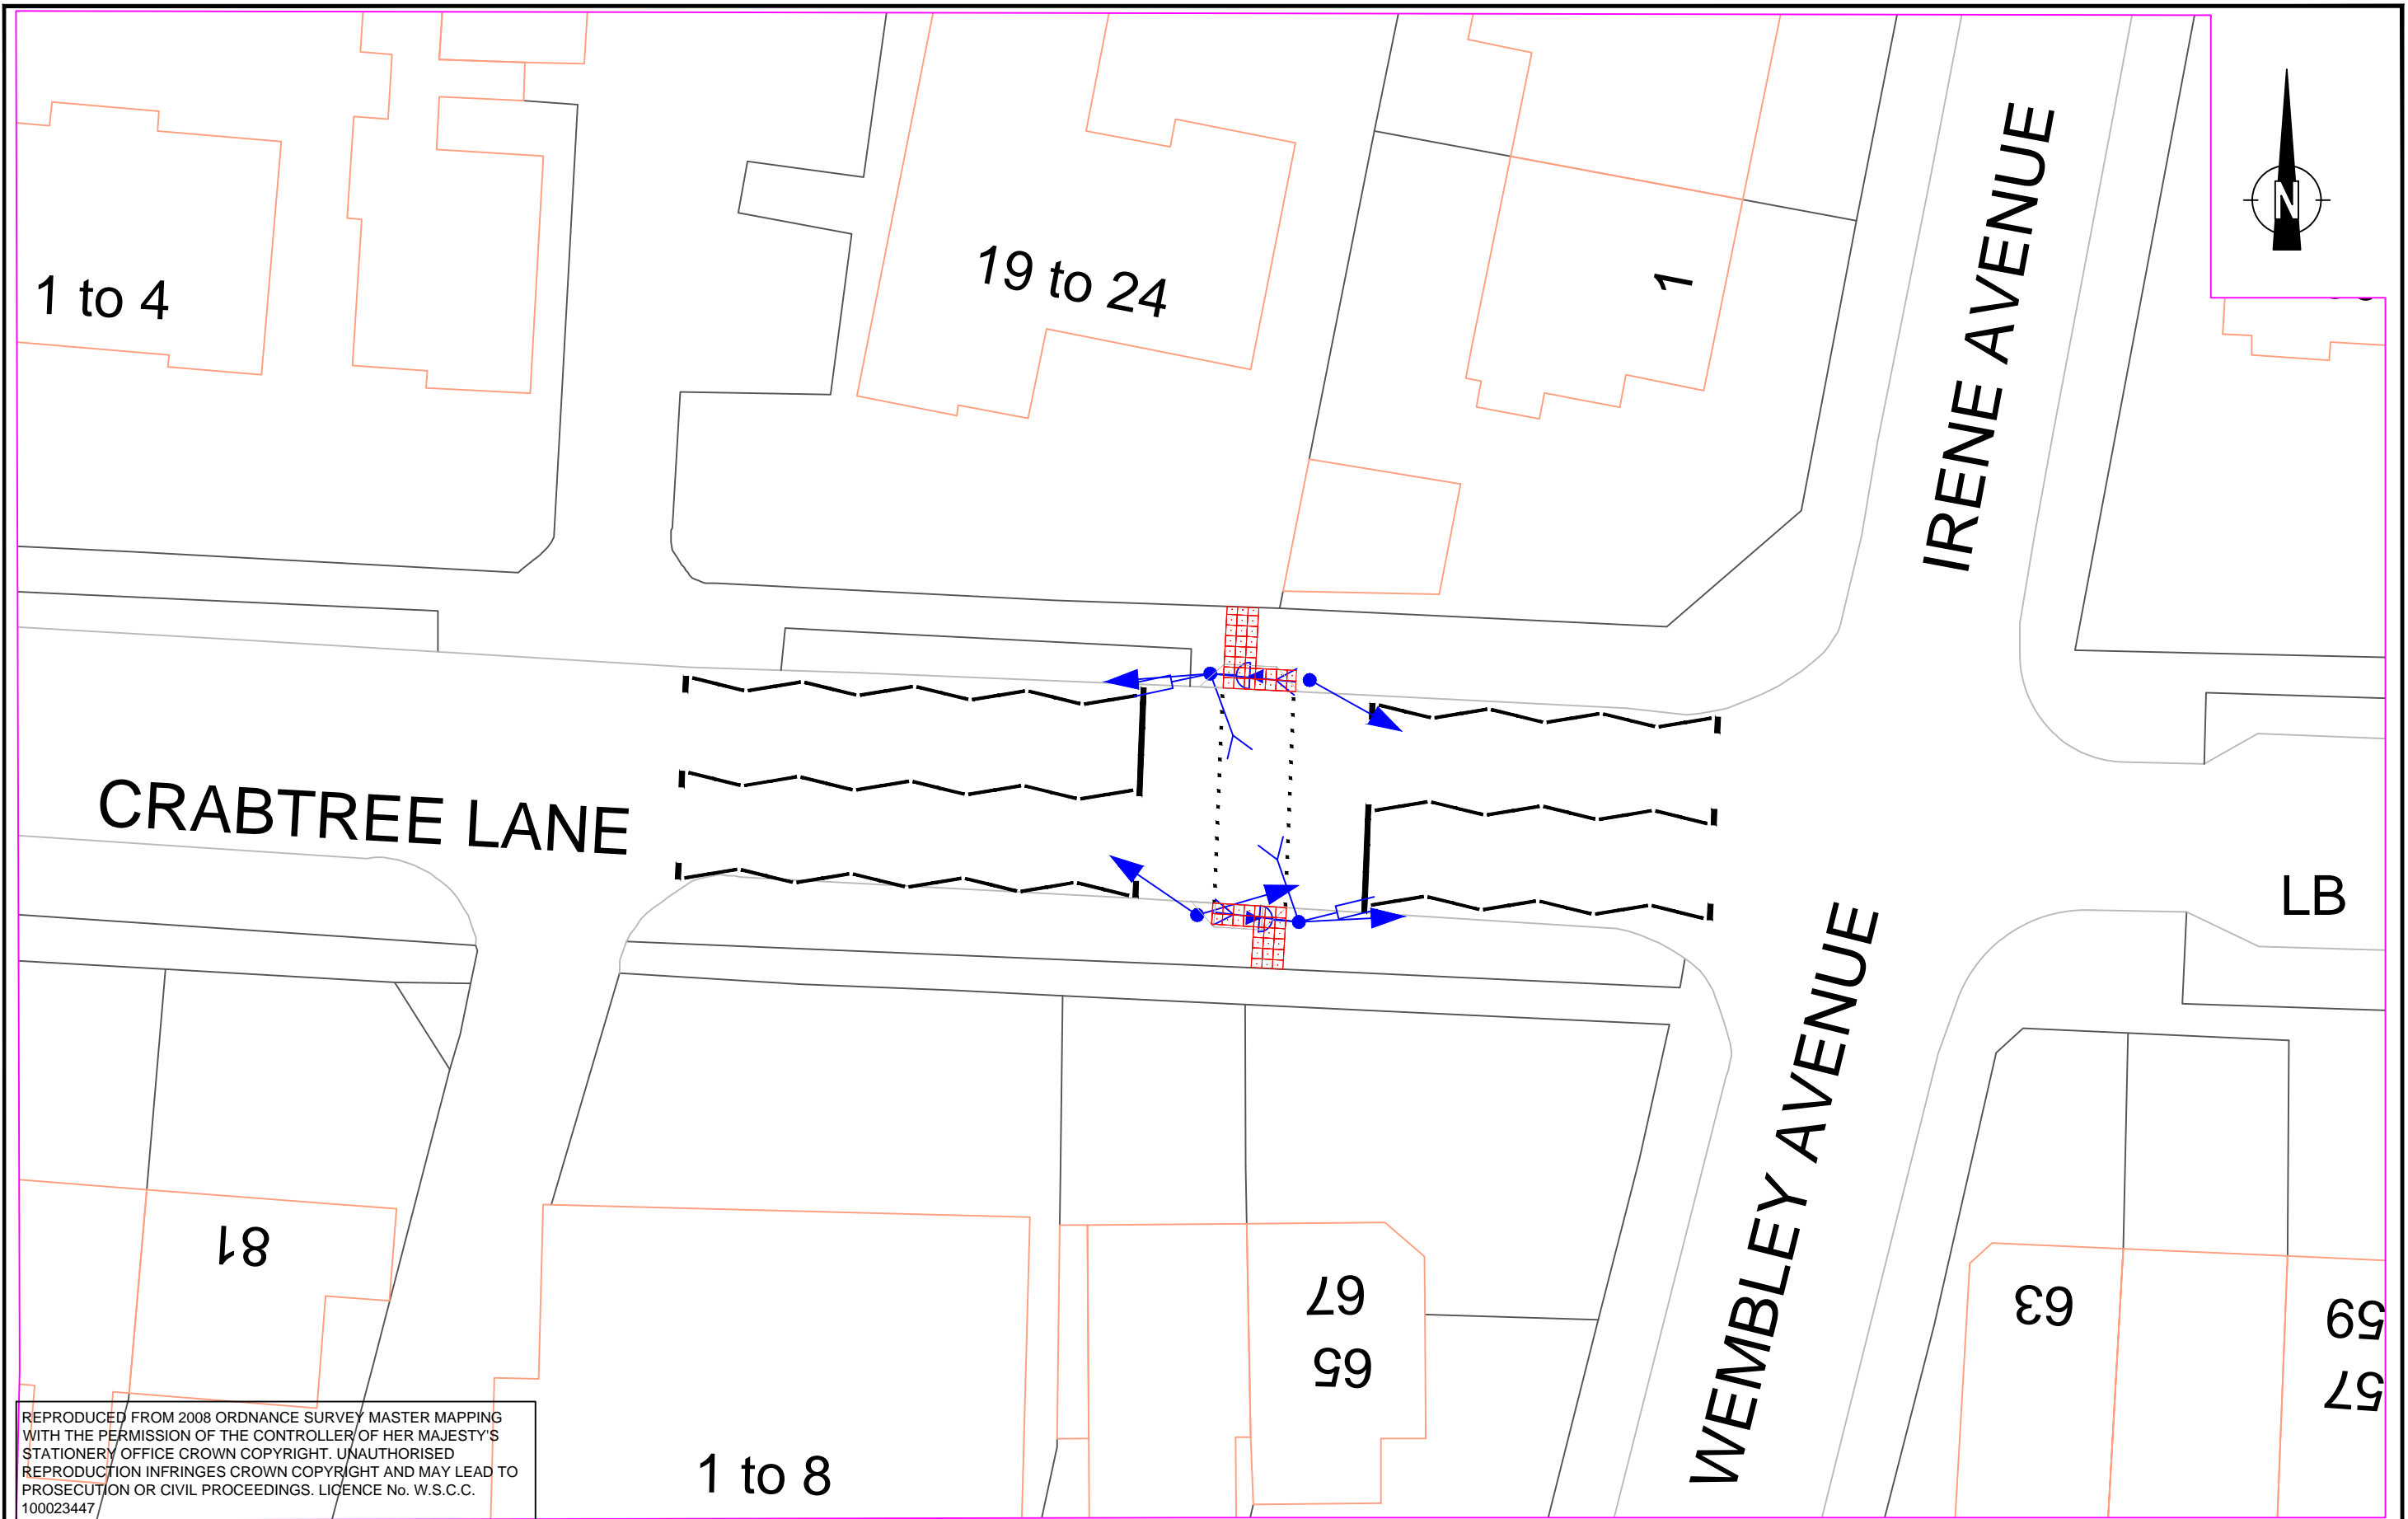

The installation of a new crossing at this location is intended to provide a safe crossing point on Crabtree Lane for local residents and in particular, for children walking to and from the school.

The crossing will incorporate dropped kerbs and tactile paving. The design features 4 poles for signal heads and push buttons with bleeper units to indicate when it is safe to cross.

A kerbside detection system would prevent vehicles being stopped if the pedestrian crosses or moves away before the crossing has activated. The crossing would also feature tactile cones to indicate the crossing's activation to pedestrians with visual impairment.

The attached drawing, titled: Crabtree Lane Lancing Overview shows the location and layout of the proposed crossing.
