**Order 2010)**

**(Parking Charges Amendment and Consolidation) Order 2020**

NOTICE is hereby given that West Sussex County Council proposes to make a permanent Traffic regulation Order under the provisions of the Road Traffic Regulation Act 1984, the effect of which will be to amend the Chichester District parking order to set new charges for 6-month parking permits, to allow electronic parking permits to be sold at a future date and to introduce a discount for residents' permits sold for use in low emission vehicles.

The Order also consolidates the existing schedules of parking charges in the Chichester District parking order for housekeeping purposes. This part of the Order makes no changes to any parking charges in Chichester District.

Full details of the proposals in this notice can be viewed on our website at [www.westsussex.gov.uk](http://www.westsussex.gov.uk). The website includes a response form for any comments or objections.

The documents may also be inspected at County Hall Chichester, during normal office hours, and at Chichester Library, Tower Street, Chichester during normal library opening hours.

Any comments or objections about the proposal must be received before 9 April 2020. These may be submitted via the response form on the website mentioned above, by e-mail to [tro.team@westsussex.gov.uk](mailto:tro.team@westsussex.gov.uk) or in writing to TRO Team, West Sussex County Council, The Grange, Tower Street, Chichester, PO19 1RH. For legal reasons, only correspondence including a full name and address will be considered. Please quote reference CHS8028-MM in all correspondence.

Dated this 19th day of March 2020.

**Order 2010)**

**(Parking Charges Amendment and Consolidation) Order 2020**

**Statement of Reasons**  
**for Proposing to Make the Order**

West Sussex County Council proposes to make a permanent Traffic Regulation Order that will amend the Chichester District parking order to set new charges for 6-month parking permits, to allow electronic parking permits to be sold at a future date and to introduce a discount for residents' permits sold for use in low emission vehicles.

The Order also consolidates the existing schedules of parking charges in the Chichester District parking order for housekeeping purposes. This part of the Order makes no changes to any parking charges in Chichester District.

West Sussex County Council's 2019/20 review of parking restrictions identified that residents' permits are increasingly being sold for 6-month periods at half the cost of the annual permit charge. Selling 6-month permits involves an increase in administration costs and to cover this it is proposed to formalise the sale of 6 month permits, with a small uplift in cost.

As the above change requires a modification to the parking order for Chichester District, the opportunity is also being taken to insert new Articles that will allow parking permits to be issued electronically, using similar technology to that which replaced paper tax disks in vehicles. Moving to such a system will not be done immediately but it is expected to be gradually introduced throughout West Sussex in the next few years.

The review of the Order will also introduce a discount to permit costs for low emission vehicles, in support of WSCC's policy on encouraging the use of such vehicles.

The remaining parts of the proposed Order consolidate the other charges for on-street parking in Chichester. Parking charges in Chichester have been reviewed annually since the original parking Order was introduced in 2010, with changes often introduced by separate notice. Consolidating these charges into the latest version of the Order is a housekeeping exercise intended to make the Order, and subsequent charging reviews easier to administer and clearer to the public.
