West Sussex County Council
((Horsham District) (Parking Places & Traffic Regulation) (Consolidation No.2)
Order 2006)

(Parking Charges Amendment and Consolidation) Order 2020

NOTICE is hereby given that West Sussex County Council proposes to make a permanent Traffic regulation Order under the provisions of the Road Traffic Regulation Act 1984, the effect of which will be to amend the Horsham District parking order to set new charges for 6-month parking permits, to allow electronic parking permits to be sold at a future date and to introduce a discount for residents' permits sold for use in low emission vehicles.

The Order also consolidates the existing schedules of parking charges in the Horsham District parking order for housekeeping purposes. This part of the Order makes no changes to any parking charges in Horsham District.

Full details of the proposals in this notice can be viewed on our website at www.westsussex.gov.uk. The website includes a response form for any comments or objections.

The documents may also be inspected at County Hall Chichester, during normal office hours, and at Horsham Library, Lower Tanbridge Way, Horsham during normal library opening hours.

Any comments or objections about the proposal must be received before 9 April 2020. These may be submitted via the response form on the website mentioned above, by e-mail to tro.team@westsussex.gov.uk or in writing to TRO Team, West Sussex County Council, The Grange, Tower Street, Chichester, PO19 1RH. For legal reasons, only correspondence including a full name and address will be considered. Please quote reference HON8032-MM in all correspondence.

Dated this 19th day of March 2020.
Director of Law & Assurance, County Hall, Chichester.

West Sussex County Council
((Horsham District) (Parking Places & Traffic Regulation) (Consolidation No.2)
Order 2006)

(Parking Charges Amendment and Consolidation) Order 2020

Statement of Reasons
for Proposing to Make the Order

West Sussex County Council proposes to make a permanent Traffic Regulation Order that will set new charges for 6-month parking permits, alter the Articles of the Horsham District Parking Order to allow electronic parking permits to be sold at a future date and to introduce a discount for residents' permits sold for use in low emission vehicles.

The Order also consolidates the existing schedules of parking charges in the Horsham District parking order for housekeeping purposes. This part of the Order makes no changes to any parking charges in Horsham District.

West Sussex County Council's 2019/20 review of parking restrictions identified that residents' permits are increasingly being sold for 6-month periods at half the cost of the annual permit charge. Selling 6-month permits involves an increase in administration costs and to cover this it is proposed to formalise the sale of 6 month permits, with a small uplift in cost.

As the above change requires a modification to the parking order for Horsham District, the opportunity is also being taken to insert new Articles that will allow parking permits to be issued electronically, using similar technology to that which replaced paper tax disks in vehicles. Moving to such a system will not be done immediately but it is expected to be gradually introduced throughout West Sussex in the next few years.

The review of the Order will also introduce a discount to permit costs for low emission vehicles, in support of WSCC's policy on encouraging the use of such vehicles.

The remaining parts of the proposed Order consolidate the other charges for on-street parking in Horsham District. Parking charges in Horsham District have been reviewed annually since the original parking Order was introduced in 2010, with changes often introduced by separate notice. Consolidating these charges into the latest version of the Order is a housekeeping exercise intended to make the Order, and subsequent charging reviews easier to administer and clearer to the public.
