WEST SUSSEX COUNTY COUNCIL
(HUNSTON & SIDLESHAM: B2145 SELSEY ROAD)
(40MPH SPEED LIMIT) ORDER 2020

Statement Of Reasons For Proposing To Make The Order

The County Council in exercise of their powers under the Road Traffic Regulation Act 1984, propose to make a permanent Order the effect of which will be to introduce a 40mph speed limit on a length of the B2145 Selsey Road north of Sidlesham and south of Hunston.

The B2145 south of Hunston village is a classified road currently subject to a 50mph speed limit.

Concerns have been raised locally about road safety and the general speed of traffic. At its meeting on 5 November 2019, the South Chichester County Local Committee selected a proposal to introduce a lower speed limit over part of the length of the B2145 south of Hunston village

Speed data has been obtained and reviewed and it is proposed to reduce the speed limit to 40mph on the B2145 from the 30mph speed limit south of Hunston village to the 40mph speed limit north of Sidlesham village, a length of approximately 1.38km. The proposed lower speed limit is compliant with the County Council's speed limit policy and adequately reflects the character of the road.

The primary aim of the initiative is to enhance road safety and casualty prevention, and it is intended that this approach will not compromise the effectiveness of existing speed limits around the county.

This Order is proposed so as to reduce danger to persons or other traffic using the road or to minimise the likelihood of any such danger arising, and for facilitating the safe passage of any class of traffic (including pedestrians) and for improving the amenity of the area through which the road runs.

Drawing CHS2001 Hunston & Sidlesham B2145 Proposed Speed Limits shows the length of road, which is the subject of the proposed order.
