WEST SUSSEX COUNTY COUNCIL

**(Worthing: Teville Road/Oxford Road) (Prohibition of Right Turns)
Order 2020**

**Statement of Reasons
for Proposing to Make the Order**

West Sussex County Council proposes to make a permanent Traffic Regulation Order that will formalise the currently installed signage prohibiting traffic proceeding eastbound on Teville Road in Worthing, from making a right turn into Oxford Road.

The traffic signals at the junction of Teville Road and Oxford road will shortly be replaced. The current signals include signs which indicate that eastbound traffic may not turn right from Teville Road into Oxford Road, a manoeuvre that cannot be safely accommodated due to the layout of the junction and the narrow nature of the adjoining roads.

Although these signs are permitted on traffic signals without a Traffic Regulation Order being in place, the lack of an Order makes the restriction difficult to enforce. As part of the works at the junction it is proposed to make an Order to support the current signage, allowing future enforcement to take place if necessary.

The new order is therefore proposed to avoid danger to persons or other traffic using the affected lengths of roads.
