

# Information for Parents Starting School in September 2021

How to apply for a school place.  
**Important action required.**

## Information for Parents

### Starting School – September 2021

#### Starting School

#### Foreword by the Director for Education and Skills

Applying for a place at school is an exciting and important time for children and their parents.

The time has now come for you to take that important step and apply for your child's school place for September 2021. To make the process as easy as possible, West Sussex County Council encourages you to apply using the online application system at [www.westsussex.gov.uk/admissions](http://www.westsussex.gov.uk/admissions).

All the information you need to help you through the process of applying for a school place is in this booklet. Before completing your application, please take the time to read this important information. The frequently asked questions pages and the admission arrangements for schools may help you decide on the best schools for your child.

Before making your final decision about which schools to apply for, we would strongly encourage you find out more about the schools you wish to consider. We are aware that, due to the current pandemic, it is being advised that schools find alternative ways to making parents aware of what the school can offer rather than organising open evenings and visits as a default position. Many of our schools have worked hard to share virtual tours, provide more information on their websites, and also arrangements for parents to make planned visits where this is possible in a socially distanced way. We advise you to contact schools to check their particular arrangements.

Although most children may secure a place at the first preference school, this is not always possible if there are more applications for a school than there are places available. When this happens, places will be offered by applying the oversubscription criteria. You are strongly advised to provide preferences for the three different schools you would like your child to attend as this provides you with the best chance of getting your child into a school you want. Remember if you want your child to attend their catchment school, you must include this as one of your preferences.

It is really important that you apply by the national deadline of **Friday 15 January 2021**. Applying after this deadline may significantly affect the school that can be offered.

I wish your son or daughter the very best for when they start at their new school.

Paul Wagstaff

Director of Education and Skills

## When you can apply

Online applications open at 9am on Monday 5 October 2020 and the deadline for making an application is **Friday 15 January 2021**. If your application is received after the application deadline it will not be processed until after all on time applications. This means that your preferences will be considered after all the preferences received on time and increases the possibility that there may not be a place available at the schools you requested or at a local school. After the application deadline you cannot change your preferences unless there is a genuine unforeseeable reason for doing so, for example, if a sibling changes school. Before the application deadline you can amend the preferences by logging back into your online application. **You must re-submit your application every time you click edit your child's details or make a change to your preferences.** Only your last submitted preferences, prior to the deadline, will be considered in the allocation. If you need help making an application, or have any further questions concerning the process after reading this guidance, please telephone 03330 142 903.

**West Sussex County Council advertises the starting school application arrangements widely, including through preschool setting and on social media. However, the responsibility for obtaining information and making an application before the deadline rests solely with parents.**

## Process Timeline:

- **5 October 2020:** The online system opens.
- **15 January 2021:** Application deadline for on time applications and the online application system closes. Please note that the online system is not monitored after the deadline of Friday 15 January and, therefore, any changes to your details after the deadline must be notified to the Pupil Admissions Team by email or post. If you have to complete a paper form it is your responsibility to ensure that the form is returned to your local school by the deadline. Paper forms will not be acknowledged. The most secure way is to apply online. Please note that the governors of church voluntary aided schools and some academies ask parents to complete the school's Supplementary Information Form (SIF) by the same closing date. This extra information enables these schools to rank applications correctly against their admissions criteria.
- **January 2021 – April 2021:** Preferences processed and information exchanged with schools and other Local Authorities.
- **12 February 2021:** Processing deadline for receipt of out of time applications made after the application deadline and receipt of evidence regarding a request to change preferences due to a genuine unforeseeable reason. Also the deadline for receipt of evidence for house movers; please see page 7 for further information on the implications of moving during the allocation of places. Any applications received on or after 13 February 2021 will be late applications, received outside of the normal admissions round, and will not be processed until after 14 May 2021.
- **16 April 2021:** On time online applicants, and applicants who apply on or before 12 February 2021 and supply an email address, will be notified which school their child has been offered by email during the day. Please do not ring to ask which school has been offered because no decisions will be issued by telephone. Applicants who do not supply an email address will be sent a letter by second class post, posted during the day.

- **16 April 2021** onwards: Parents accept place at allocated school, register and provide a copy of their current council tax bill as proof of their application address.
- **14 May 2021** onwards: Late applications received on or after 13 February 2021, made outside the normal admissions round, processed and offer made. Waiting lists will be established and places offered if they become available.
- **May - July 2021** onwards: Appeals heard by an independent appeal panel.
- **September 2021**: New intake admitted to school.

## Applying for a school place

All parents should apply for a school online at [www.westsussex.gov.uk/admissions](http://www.westsussex.gov.uk/admissions). When you submit your application you will receive an email containing the information on your application as confirmation that your application has been received. Please be aware that all the contact information which you provide will be shared with the allocated school to facilitate starting school arrangements.

Parents who apply online will benefit as follows:

1. You can save your application before submitting it and can therefore return to it to make amendments. You must however still submit the completed application before the deadline of **Friday 15 January 2021**. Before the deadline you can amend your preferences by logging back into your online application. If you click edit your child's details or make any changes after you have submitted your application you must re-submit your application and you must do so every time you edit your child's details or make any further changes. Only your last submitted preferences, prior to the deadline, will be considered in the allocation.
2. An acknowledgement of your application is automatically sent by the system so you know your application has been received. You may need to amend your security settings in order to receive the automatic acknowledgement or it may be placed in the "junk" or "bulk" folder. We strongly recommend that you keep a copy of the automated acknowledgement e-mail, which will give you a unique application reference number, as it is your proof that you applied and we cannot investigate issues without this.
3. Free internet access will be available at all West Sussex libraries and Children & Family Centres for parents who do not have access to a computer.
4. All applicants who apply on or before 12 February 2021, and supply an email address, receive an email on 16 April 2021 confirming the result of their application

We would advise parents that applying online very close to the deadline (Friday 15 January 2021) could be difficult due to high user volume. Please apply ahead of the deadline, after visiting schools and considering the admission arrangements. The online system will close at 23:59 on Friday 15 January 2021. Please note that the online system is not monitored after the deadline of Friday 15 January 2021 and, therefore, any changes to your details after the deadline must be notified to the Pupil Admissions Team by email or post.

If you have no option but to apply on a paper form, please telephone 03330 142 903 to request one. Please note that it is your responsibility to ensure that a completed form is returned to your local West Sussex school by the end of the school day **on Friday 15 January 2021**. Parents are not encouraged to return their paper forms directly to the Pupil Admissions Team unless they use Recorded Delivery post. Claims regarding missing forms will not be investigated unless you can provide evidence that it was received at the Pupil Admissions Team. West Sussex County Council is not responsible for forms lost or delayed in the post. We recommend that you keep a copy of the form and evidence of posting.

As mentioned previously, please note that the governors of church voluntary aided schools and some academies ask parents to complete the school's Supplementary Information Form (SIF) by the same closing date. This extra information enables these schools to rank applications correctly against their admissions criteria. The school must still consider your application if you choose not to complete the SIF, however failing to do so may affect the priority the Governors give your application under their admission criteria.

## Points to consider before submitting your three preferences

- Make sure you use all three of your preferences wisely, be realistic and apply on time. School places are allocated according to the published oversubscription criteria for each school so study these carefully. This can include criteria such as whether you live in the catchment area, whether there are siblings already at the school and the distance you live from the school. You have a higher priority for your catchment school. If you make a preference for an oversubscribed school, the further away you live the less likely you are to be offered a place. Personal circumstances, such as child care arrangements, are not part of the oversubscription criteria for any school and will not be taken into consideration. You are strongly encouraged to include your catchment school as one of your three preferences. If you wish your child to be considered for a place at their catchment school you must include this as one of your three preferences. You can check the catchment school for your address on our website at [www.westsussex.gov.uk/admissions](http://www.westsussex.gov.uk/admissions). If you do not have access to the internet and you are not sure which is your catchment school please call 03330 142 903 to find out. Please do not include a school you do not want as a preference as you may be offered this school. Please do not put independent schools or Elective Home Education as preferences as they will be disregarded.
- After the deadline you cannot change your preferences unless there is a genuine unforeseeable reason for doing so, for example if a sibling has changed school. You are advised to contact the Pupil Admissions Team to discuss your reason for changing preferences before submitting a new application.
- If you are planning to move house you must notify the Pupil Admissions Team. You may wish to contact the Pupil Admissions Team to discuss your preferences if your house move is not yet confirmed. Further information on moving house is available on page 7. If you change residency before 2 September 2021 without informing the Pupil Admissions Team, this may result in the offer made being withdrawn.
- Church voluntary aided schools and some academies will ask you to complete their Supplementary Information Form to enable the Governors to consider your application against the school's oversubscription criteria. The form may ask for information about church attendance, baptism, parents working at the school etc. The school must still consider your application if you choose not to complete the supplementary form, however failing to do so may affect the priority the Governors give your application
- If you have previously visited a school and completed papers for them, you must still complete an online application before the deadline to apply for a place at the school. Please see page 16 and Appendix 1 for further details
- Church aided schools, foundation schools and academies may have a different policy to West Sussex County Council. Please check the admission arrangements for these schools before making your application.
- Attendance at a pre-school or nursery associated with, or located in, an infant/primary school will not secure a place at the school. Your child is not automatically admitted to a school if offered a place at the nursery.
- The Council does not take account of how long your child has been 'registered' with a school. Registering is purely an expression of interest and has no influence on the admission process.

## Information about addresses

The majority of West Sussex Schools have a catchment area. It is important that the address information for each pupil is accurate to ensure the correct priority is applied to the application.

***It is the parent's responsibility to notify the Pupil Admissions Team in writing of any changes to their address at any time before 2 September 2021.***

All changes of address that are received after the allocation will be reviewed and, if the application gained an unfair advantage and the place would not have been offered, we will withdraw the offer made.

### Fraudulent use of addresses

If you are aware that a fraudulent address has been used for an application, you should inform the Pupil Admissions Team in writing providing as much information regarding the child and address as possible. All information will be treated as confidential and will be investigated.

If it is found that a place has been allocated using incorrect or knowingly misleading information which allowed the application an unfair advantage, the offered place will be withdrawn. If the school that should have been offered was full at allocation an alternative will be offered and this may be further away.

## Shared residency

The Pupil Admissions Team can only use one address for the purpose of allocating a school place. The address for the application is the one held on our records as being the address for your child. If your child regularly stays overnight with another parent or relative on a shared residency basis and therefore potentially has more than one address, you must confirm this in writing after making your application online. You should give both addresses and details of your child's living arrangements and state which address you believe should be used for the application i.e., your child's main address. We may contact you for further supporting evidence and this could include documentation such as a: council tax bill, medical card, utility bill, bank statement or child benefit documentation. Additional enquiries may also be made where necessary. Priority for your preferences will be decided according to the address which the Pupil Admissions Team determines as your child's main address. Parents should note that overnight stays relating to childcare arrangements are rarely considered to be a formal 'shared residency' and priority will not be given from a relative/carer's address in these circumstances. Parents should submit details of their child's shared residency by covering letter addressed to the Pupil Admissions Team.

## Moving house

### Moving after an application has been made but prior to allocation

You must make an application through your current Local Authority prior to the deadline of 15 January 2021. If you are planning to move house prior to the new school year in September, you **must** advise the Pupil Admissions Team in **writing** to ensure that your application receives the correct priority for the allocation.

Acceptable confirmation of your new address (a signed tenancy agreement or confirmation of contract exchange for a purchase) must be received by the West Sussex Pupil Admissions Team by 12 February 2021, which is our final processing deadline to allow us to use your new address for allocation. Any changes received after this date will not be processed until 14 May 2021. In these circumstances your previous address will be used for allocation on 16 April 2021, but your new address will be used for correspondence and waiting lists after allocation.

Any school place offered for your child will be on the basis of the address held on the Pupil Admissions Team records and the assumption that **your child will still be resident at this address in September 2021**. If you fail to tell us of a confirmed move before 12 February, then your place will be withdrawn.

## **Moving within West Sussex after school places have been allocated**

***The Pupil Admissions Team must be advised of any changes to a pupils address in writing at any time before 2 September 2021. For an oversubscribed school you will need to provide evidence of the date you moved to your new address.***

If you are moving within West Sussex and wish to submit new preferences, a new application must be submitted along with acceptable confirmation of the new address. Where availability allows, we will offer the preferred school and the place previously offered will be withdrawn. Where we have to refuse a place because the preferred school is oversubscribed pupils will be placed on a waiting list following an application. We will confirm this and, if necessary, the alternative school offered when we write to you refusing you a place at the preferred school.

## **Moving into West Sussex after school places have been allocated**

Pupils moving into West Sussex from outside the county after the allocation date with an acceptable confirmation of address can make applications direct to West Sussex County Council. If acceptable confirmation of the new address is not available, an application should be made via your current Local Authority, requesting your preferred schools in West Sussex. Where availability allows, we will offer your preferred school and the place previously offered by your Local Authority will be withdrawn. Where we have to refuse a place because the preferred school is oversubscribed, pupils will be placed on a waiting list following an application. Once confirmation of your West Sussex address has been received, an alternative school place will be offered and the place previously offered by your former Local Authority will be withdrawn.

## **Moving out of West Sussex to another county**

Pupils moving out of West Sussex to another county must still apply through West Sussex prior to the deadline of 15 January 2021. Any preferences for out of county schools will be sent to the relevant authority for consideration.

It is advisable to contact your new Local Authority to discuss their process for moving and deadlines as they may not be the same as the ones for West Sussex.

## **Shared parental responsibility – duplicate and disputed applications**

It is important to note that only one application can be processed for each child and only one offer of a school place made. Disputes on the preferred schools by those with parental responsibility should be settled between the parties, neither the Local Authority nor the admissions authority will become involved in any parental disputes. If a person with parental responsibility submits an application that is disputed by another person with parental responsibility or if more than one person with parental responsibility submits an application with different preferences then those applicants may need to settle the matter through the courts. Where no agreement is reached or court order obtained in time for the Local Authority to carry out its duties in accordance with the published timescales, the Local Authority will decide which application to process and will make only one offer of a school place. Failing to disclose information can result in a delay in offering a school place or an offer being withdrawn.

## **SEND Information, Advice and Support Service (SEND-IAS)**

The SEND-IAS offers support to any parents who, for a variety of reasons, may have difficulties with the school application process. This includes helping parents formulate their thoughts when choosing the type of school that may be suitable for their child and supporting parents who may need assistance completing their application. For further information on this service contact: helpline on 0330 222 8555 (Mon.-Fri. 9am to 4pm), or by email: [send.ias@westsussex.gov.uk](mailto:send.ias@westsussex.gov.uk)

## **Looked after children or previously looked after children**

Evidence is required to support applications for looked after children, or previously looked after children who ceased to be so because they were adopted, became subject to a special guardianship order, residence order or child arrangement order.

- Applications for looked after children, who are subject to a care order (under Section 31 of the Children Act 1989), should be made by the allocated social worker.
- Applications for previously looked after children who are adopted should be supported by a copy of the adoption certificate.
- Applications for previously looked after children who become subject to a special guardianship order (made under Section 14A of the Children Act 1989 - as amended by the Adoption and Children Act 2002) should be supported by a copy of the special guardianship order confirming the details of the arrangements for the child.
- Applications for previously looked after children who become subject to a residence order (made under Section 8 of the Children Act 1989) or child arrangement order (made under Section 12 of the Children and Families Act 2014) should be supported by a copy of the court order confirming the details of the arrangements for the child.

## Private fostering arrangements

If you are caring for someone else's child for more than 28 days, you do not have parental responsibility for them and you are not a close relative such as a grandparent, brother, sister, uncle or aunt (whether full blood, half blood or by marriage or civil partnership) or step-parent, you may be private fostering. In such circumstances it is a legal requirement that you contact West Sussex County Council on: 01403 229900 or email: [MASH@westsussex.gcsx.gov.uk](mailto:MASH@westsussex.gcsx.gov.uk)

## Applying under the exceptional and compelling category

Parents wishing to apply to church voluntary aided schools, foundation schools and academies (type of school is shown in the contact list pages 20-54), and schools in other local authority areas, on exceptional and compelling grounds should contact the school to discuss their child's needs and the school's oversubscription criteria as not all use this category.

Many, but not all, admission authorities have criteria where priority will be given to applicants if there is a strong medical case or exceptional need for the child to attend the school named first on their application. When considering applying under this category parents should bear in mind that all schools can cope with special educational needs such as Asperger Syndrome, Dyslexia etc. Schools are also experienced in managing common childhood complaints such as asthma and allergies. Issues such as difficulties with childcare arrangements or the child's ability/school performance are not covered by this category.

Parents wishing to apply under this category must state in the additional information box for their first preference what independent professional evidence they are submitting to support their application. If this information is not provided in the additional information box, and the evidence is not received by the application deadline of 15 January 2021, then the application will not be considered under the exceptional and compelling category but will be considered against the remaining admission criteria. The evidence must be sent to the Pupil Admissions Team and if posted sent by Recorded Delivery mail. ***The supporting evidence from the qualified professional (i.e., medical consultant or a psychologist) must explain clearly why it is essential for the child to attend the school named as their first preference. It must detail fully the child's needs and address the reason why these needs can only be met at the preferred school.*** Letters from parents alone are not sufficient nor are letters that do not address the question of which school the child must attend. Letters from teachers at the child's current school will not normally be taken into account.

The Pupil Admissions Team will not contact third parties to obtain information relating to an application. It is the parents' responsibility to send any evidence relating to their child to support their application. In the case of schools where admissions are decided by West Sussex County Council, a panel of Senior Officers will consider the supporting evidence and make a decision. Applications or evidence submitted late will only be considered in exceptional circumstances. Applications under this category can only be made when the preference is originally requested.

As priority under this category cannot be assumed, parents are strongly advised to name three different preferences. Doing so will not mean the first preference is treated with less consideration. Should priority not be given on the basis of the evidence submitted, the application will be considered against the remaining admission criteria, for example, residency within the catchment area. An application under this category can only be made as a first preference. If you apply under this category for a lower preference the application will be amended and only considered against the remaining admissions criteria.

Parents should be aware that the criteria for the exceptional and compelling category are **rarely met** and parents are advised to seek guidance from the relevant Admissions Authority regarding application under this category. All calls and any information received are treated in strict confidence.

## **Special Guardianship Order (SGO) – West Sussex Controlled Schools**

Parents can apply under this category if their child is subject to a Special Guardianship Order who has not previously been in Local Authority Care. Evidence will need to be supplied with this application. If they have been in Local Authority Care, then they can apply under the Looked after children or previously looked after children category.

## **Children of Staff – West Sussex Controlled Schools**

Priority will now be applied to children of school staff in either or both of the following circumstances (following section 1.39 of the School Admissions Code).

- Where the member of staff has been employed at the school for two or more years at the time which the admission to the school is made, and/or
- The member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

If you wish to apply under this category, you must indicate this in your application and it will be checked with the school mentioned.

## What happens if you apply after the deadline (out of time and late applications)

To be treated as on time your completed application must be submitted by the national application deadline of **Friday 15 January 2021**. Applying after the deadline can seriously impact on the likelihood of a place being available at your preferred school.

The online application system will close at 23:59 on Friday 15 January 2021. If you need to apply after this date, please apply using the electronic late application form on our website or telephone 03330 142 903 to request a paper form and return it to your local West Sussex primary school. Please note that the online system is not monitored after the deadline of Friday 15 January and, therefore, any changes to your details after the deadline must be notified to the Pupil Admissions Team by email or post.

If your application is received after the application deadline of Friday 15 January 2021 but between 16 January 2021 and 12 February 2021, it is out of time and while your preferences will be processed they will be considered after all the applications received on time.

If your application is received on or after 13 February 2021 it is late, outside the normal admissions round, and will not be processed until after 14 May 2021.

Church voluntary aided schools, foundation schools and academies may deal with out of time and late applications in a different way – you should contact any of these schools if you make a preference for them after 15 January 2021, to establish how your application will be considered.

## How places are allocated

All schools have a Published Admission Number (PAN) and oversubscription criteria that apply if there are more applications than places available. The PANs for all community, controlled and church voluntary aided infant, primary and academies in West Sussex are shown on pages 20-55. The oversubscription criteria for all community and controlled infant and primary schools in West Sussex are shown on page 55. The oversubscription criteria for church aided and foundation schools and academies in West Sussex are available in Appendix 1 of this booklet. The full Admissions Policy is available either on the schools' websites or from the school.

Places will be allocated at all infant and primary schools to comply with Infant Class Size Legislation. This legislation restricts all Reception, Year 1 and Year 2 classes to a maximum of 30 pupils with one qualified teacher. If the 30<sup>th</sup> child admitted is a twin (or a child from a multiple birth) the other siblings may also be admitted to the school as permitted exceptions.

All your preferences will be considered at the same time against the oversubscription criteria applicable to the relevant school. In the case of oversubscription in any of the West Sussex County Council categories, priority is given to applicants who live nearest the school (measured by a straight line from school to the child's home address, using Ordnance Survey data within the curtilage of the property). Other tie-breaks may apply to church aided and foundation schools and academies.

All your preferences are equal and an admission authority cannot discriminate against an application simply because the school was not named first on an application. Every school that a parent names on their application is treated as if it were a separate application – each one is equal – and the highest possible preference that can be met will be offered. At allocation the Pupil Admissions Team determine which of the three preferences can and cannot be met. If more than one preference can be met then the order the preferences were listed on the application becomes relevant and a place is offered at the school listed as the higher preference. More information for parents on the Equal Preference System is available on request.

If you wish to discuss the implications of the order of your preferences please contact the Pupil Admissions Team. We can only allocate a child one school place and any subsequent application and offer will result in the original offer being withdrawn.

Parents should note that children are not automatically considered for their catchment school and residing in a catchment area does not guarantee a place at the catchment school. Parents are strongly encouraged to include their catchment school as one of their three preferences.

## Frequently Asked Questions

### What is the role of the Pupil Admissions Team?

The role of the Pupil Admissions Team is to administer West Sussex County Council's coordinated admissions scheme, including the allocation of places at community and voluntary controlled schools in accordance with the Council's published admission policy. The Team is able to offer advice and guidance to parents making an application for their child. However, the Team is unable to:

- offer opinions on schools' suitability and performance;
- arrange visits to schools;
- allocate places outside West Sussex County Council's criteria or take account of personal circumstances, outside of exceptional and compelling cases;
- change a child's details (name or address) without written confirmation, by letter or email, and acceptable supporting documentation where appropriate;
- investigate anonymous allegations regarding false addresses without sufficient information. West Sussex County Council does treat the issue of using a false address very seriously and any correspondence of this nature is dealt with confidentially.

If you are dissatisfied with the service of the Pupil Admissions Team, in the first instance please write to the Pupil Admissions Manager for the area, see page 69. Complaints about schools should be referred to the headteacher or the school's Governing Body.

### How likely is it that my preference will be met?

Please see the section on using your three preferences wisely and being realistic (under 'Points to consider before submitting your three preferences') on page 6. The less priority you have under a school's oversubscription criteria the less likely you are to be offered a place if that school has more applications than places. For the 2020 starting school round 98.7% of parents who applied on time were offered their preferred school and 91.2% were offered one of their three preferred schools.

The table on pages 20-55 gives details about the number of places offered and children refused at each state-funded primary school in West Sussex for September 2020 admissions. This is only a guide because patterns of parental preference and the number of pupils in the area vary from year to year. The outcome of your application cannot be guaranteed. If you want further information about the previous patterns of admission to your preferred schools, please contact the Pupil Admissions Team.

### Where can I find out information about schools?

It is important that you do not base your preferences on other people's opinions. Each school has a prospectus and website which include details of the school's policies, uniform, the curriculum and teaching methods, term dates and school times as well as other helpful information. You can obtain a copy of the prospectus from the school and you are welcome to make an appointment to visit the school. School websites can be accessed through the West Sussex County Council website. The Government website [www.gov.uk/browse/education](http://www.gov.uk/browse/education) has links to school OFSTED reports and Department for Education performance tables. This information should also be available from the school or your local library.

Schools may invite you to attend an open session and this invitation or receipt of a prospectus should not be seen as an offer of a school place as all offers are made through the Local Authority. Headteachers may confirm that they would be happy to have your child in their school but again this is not an offer because all applications are subject to the admission criteria.

## Are West Sussex Infant and Junior Schools linked?

West Sussex infant and junior schools are linked (see the lists on pages 35 and 55). If a starting school child will have a sibling at the linked junior school in September 2021, then the starting school child has sibling priority for the infant school. Please note that it is the parent's responsibility to tell the Pupil Admissions Team about sibling links in their application. When making the infant school application online do not tick the box '*Sibling will attend this school in September 2021*' but instead confirm their name, birthdate and school in the '*Additional Information*' box in the '*Reasons for this Preference*' section.

Please note that if you are applying for a Year 3 place for one child at the linked junior school and a Reception place for a sibling at the linked infant school you must still advise us of the sibling link on your younger child's application even though an offer for the Year 3 place will not yet be confirmed. The Pupil Admissions Team will then check your applications and ensure that the correct priority is given. If you do not advise us of the sibling link on your application it will not be given and your younger child will be disadvantaged. If you require any clarification on the process please contact the Pupil Admissions Team who will be happy to advise you.

## Can I ask for my child to go to any primary school in West Sussex?

You can express a preference for any of the primary schools listed on pages 20-54. West Sussex County Council makes every effort to meet parental preference but some schools receive more applications than the number of places available. When this happens, the oversubscription criteria are used to decide which children are offered a place. Please also see the answer to the question 'How likely is it that my preference will be met?' on page 12 for further information, and advice on using your three preferences wisely and being realistic, on page 6.

Schools are categorised as community, controlled, church aided (sometimes called voluntary aided), foundation schools and academies. All community and voluntary controlled schools have catchment areas and West Sussex County Council determine and manage the admissions. You can check your catchment school by entering your postcode on our website.

Many church voluntary aided schools, foundation schools, free schools and academies also have catchment areas. In the case of church voluntary aided schools, the catchment area may be defined in terms of parishes or deaneries while others may serve an even wider area. For these schools, full details can be found in the school's published admission arrangements on their website. Decisions to offer a place at these schools are made by the Governing Body.

If you apply for a place for your child at a community or controlled school that is not the catchment school for your address, you should note the following:

- the Council will not provide assistance with travel or related expenses to the school;
- it is less likely that places will be available at oversubscribed schools for any brothers or sisters, should you wish them to attend at a later date;
- the tie break for oversubscribed schools, within any oversubscription category, is the straight-line distance from home to school.

## Can I defer my child's start at school?

By law, children must start their full-time education in the term following their fifth birthday. In West Sussex your child may start either full or part-time in the September following their fourth birthday. All applicants seeking admission during the academic year commencing in September 2021 must apply by the deadline **Friday 15 January 2021**.

When you have received the offer of a school place, you may wish to take the opportunity to discuss the school's induction arrangements and your child's start date with the school. You can defer admission until the start of the spring or summer term so long as your child has not reached compulsory school age.

However, you must inform the school of this decision.

You may feel that starting school in September 2021 is too early for your child and would prefer them to remain at a pre-school group, playgroup or in a nursery school. Should your child attend school part-time as well as a nursery or playgroup part-time, your Nursery Education Grant funding will automatically transfer to the school. This means you will have to pay the full fees for the amount of time your child attends nursery, pre-school or playgroup.

Should you choose to defer your child's start until the term following their fifth birthday; the school you have been offered will hold your child's school place provided your child is still joining the school in the reception year. If your child was born between 1 April 2017 and 31 August 2017 you can decide not to take up a school place until September 2022; however a place will not be held in a Reception class and in most cases your child may need to join Year 1 upon their admission to school. Parents wishing to defer to Year 1 must approach the Pupil Admission Team in June 2022 to apply for a place but should be aware that a place may not be available in a local school. For further advice on this matter, please contact the Pupil Admission Team.

### **Can I apply for admission outside my child's normal age group?**

Parents may seek a place for their child outside of their normal age group. An application should be made to the Admission Authority for the school you wish to apply for. The decision will be made on the basis of the circumstances of each case and in the best interests of the child concerned. The right of appeal does not apply if a place is offered at the school, but it is not in the preferred age group. For further information and advice please contact the Admissions Authority for the school you wish to apply for.

### **Can I delay starting school for my summer born child?**

Parents wishing to educate their child outside of their normal age group are required to make a request to West Sussex County Council. View a statement of our policy and relevant application form [on our website](#).

If your child is born between 1<sup>st</sup> April and 31<sup>st</sup> August 2017 they will become of statutory school age in September 2022. The majority of parents of these summer born children are happy for their child to start school in September 2021 following their 4<sup>th</sup> birthday, however parents of children who were born prematurely and who would have naturally fallen into a lower age group if they had been born full-term may wish to request a delayed admission into Reception for their child.

Parents of summer born children may request that their child's entry into Reception be delayed until the following academic year. The decision lies with the relevant admission authority. For community and controlled schools this is West Sussex County Council, for an academy it is the academy trust and for a foundation or voluntary aided school it is the governing body. In order for the admission authority to make a decision, parents must complete a delayed entry application form, available on the West Sussex website, and should include any available evidence with their application from professionals detailing why there is a need for their child to start in the Reception class the following year. Applications should be returned to the Pupil Admissions Manager who will liaise with own admission authority schools regarding their decision. Any application for delaying entry must be submitted, along with any available professional evidence supporting the application, before the closing date of 15 January 2021. Applications or evidence submitted late will only be considered in exceptional circumstances and a decision will not be made until later in the summer term when any outstanding delayed entry requests are considered.

You must also complete an application, by 15 January 2021, for the admission of your child for September 2021 even if you are thinking of delaying entry until September 2022. Children develop at different rates and your child may change significantly between the application period and starting school. This will ensure that you have secured a school place for September 2021, which can be released later if the decision is made for your child to delay entry until 2022. Failure to make an application for September 2021 may result in your child being offered a place at a school that is not one of your preferences and may be further away from your home.

If your application for delayed entry is agreed your child will not be allocated a place at a school for 2021 (or any place already offered will be released) and you will need to make a fresh application for a school place with those children starting school in September 2022. Parents should note that it will not be possible to apply online for a school place outside of your child's normal year of entry and you will need to contact the Pupil Admissions Team to request a paper application form in the autumn term 2021. The application will be considered in line with the published admission arrangements for the school alongside all other applications for September 2022.

If you are considering a delayed entry into school for your child, you are strongly advised to contact the Pupil Admissions Team by email before applying to discuss the process and the implications for your child. Before making an application for delayed entry you must discuss your intentions with the schools that you are interested in as the Local Authority will be seeking the views of the headteacher of the schools you have made preferences for as part of their decision making.

If your application for delayed entry is refused, your child must either take up the place they have been offered for 2021 by the start of the summer term 2022 or you must make an application for a year 1 place in September 2022. Applications for Year 1 can be made in June 2022 for a September start. Parents should be aware that if their preferred school is full in Reception for 2021 it is unlikely that a place will be available in Year 1 in September 2022.

Important and detailed information regarding this process is available on the WSCC website.

### **Do special rules apply to twins and multiple births?**

A separate application must be made for every child. Please note that sibling priority is only given when a sibling is already attending the school, therefore twins and multiple births do not give sibling priority to each other and their details should not be included as siblings on an application. Where West Sussex County Council is the Admissions Authority for the school and the last child to be offered a place is a twin, the other twin will normally be admitted over the published admission number. For schools that are their own admission authority please check their policy directly with the school.

### **What if my child has special educational needs?**

The great majority of pupils with some form of special educational need participate fully in mainstream schools, with help appropriate to their special needs. This includes most children for whom the Council has issued an Education, Health and Care Plan (EHCP).

If your child has an EHCP, you have a right to make a request for a school and you should already have been contacted by the Special Educational Needs Assessment Team (SENAT). If not, please contact them using the contact details shown below. We try to arrange school admissions for children with EHCPs earlier in the year than other pupils to allow sufficient time to consider requests and for the necessary consultation process to take place.

If your child is in the process of an Education, Health and Care Needs Assessment, you should still complete an application online with your mainstream school preferences. The Council will let you know whether an EHCP will be made and if a draft EHCP is issued you will be able to make a request for the school you would like your child to attend at that time. On rare occasions, if school allocations overlap with your child being assessed for an EHCP, you may receive an allocation from the Pupil Admissions Team which is different to the school you were expecting. Should this happen please contact the SENAT for advice; your child will be offered the school most appropriate to meet their needs.

Whilst we aim to meet parent requests where possible, it is the Council's responsibility to ensure placements are appropriate and are an efficient use of resources. Only children with an EHCP/draft EHCP can apply for a place at a special school or a special support centre attached to a mainstream school.

If your child has an EHCP/draft EHCP and you have any queries about the admission process, please contact SENAT using the following telephone numbers:

- 0330 222 2516: Chichester, Bognor Regis, Midhurst, Petworth
- 0330 222 3120: Angmering, Littlehampton, Steyning, Worthing, Shoreham, Lancing
- 0330 222 2722: Crawley
- 0330 222 3121: Burgess Hill, Horsham, Haywards Heath, Cuckfield, East Grinstead

SENAT are located at Room 72, County Hall, Chichester, PO19 1RF. (Please note that callers must report to the main reception desk) email: [sensupportteam@westsussex.gov.uk](mailto:sensupportteam@westsussex.gov.uk).

Please only contact SENAT if your child has an EHCP/draft EHCP; for all other children admissions queries should be directed to the Pupil Admissions Team.

### **How do I apply to a church voluntary aided school or academy with a religious character?**

You apply to a church voluntary aided school or academy with a religious character in the same way as you apply for a community or voluntary controlled school, foundation school or free school, i.e., you must complete an application through West Sussex County Council and return it online (applicants from outside West Sussex should follow their home Local Authority's application process).

For church voluntary aided schools and academies with a religious character, if you wish your application to be given priority on denominational grounds you must complete a Supplementary Information Form (SIF) and return it direct to the school. SIFs can be obtained from the schools concerned. SIFs must be returned to the church voluntary aided school or academy with a religious character by the national application deadline which is Friday 15 January 2021.

### **If I live outside West Sussex, how do I apply for a West Sussex school?**

Parents living outside West Sussex can apply for a school in this county but must do so by applying via their own Local Authority. This is the Local Authority for the county or city in which you live (telephone numbers for neighbouring local authorities are at the back of this booklet). You may wish to contact the Local Authority for your home to discuss the implications of listing a West Sussex school as a preference. Your home Local Authority will let us know about your application. Once decisions have been made, we will inform your home Local Authority and they will notify you on 16 April 2021. The oversubscription criteria for all schools apply to all applicants, regardless of where they live.

### **Can I ask to go to a school outside West Sussex?**

Parents living in West Sussex wishing to apply for a school place in another county or city must still apply online from the West Sussex website listing their preferences. We will tell the appropriate Local Authority about your application but you may find it helpful to contact them yourself to discuss your application. (Addresses and telephone numbers for neighbouring local authorities can be found at the back of this booklet). Once decisions have been made the appropriate Local Authority will let us know and we will notify you on **16 April 2021**.

### **Can I make alternative arrangements for my child's education?**

You may decide to educate your child yourself at home. This is called Elective Home Education. It is important that the Pupil Admissions Team is aware of your plans, so that a place is not allocated unnecessarily for your child. Please confirm these alternative arrangements to the Pupil Admissions Team in writing. Your child will not then be allocated a school place. Please do not list Elective Home Education as a preference on an application as it will be disregarded and a school place offered. Please note that if you choose to educate your child yourself you do not receive any additional priority for a school place should you wish to apply at a later date.

Information regarding home education is available from West Sussex County Council's Elective Home Education Team on 0330 222 3300.

## My child will be attending an independent school – do I still need to complete an application?

If you have received a confirmed offer of a place for your child at an independent school, please confirm these arrangements to the Pupil Admissions Team in writing. Your child will not then be offered a state-funded school place. If your application to an independent school is still being considered and a place is yet to be formally offered, we recommend that you make an application online expressing three preferences for maintained schools in order to ensure your child has a school place for September 2021. If you are uncertain about your pending application to an independent school and would like further advice on making your application, please contact the Pupil Admissions Team for guidance. Please do not list an independent school as a preference on an application as it will be disregarded and a state school place offered.

## Can I change my preference?

Before the national closing date of Friday 15 January 2021 you can amend your preferences by logging back into your online application. **You must re-submit your application every time you click edit your child's details or you make a change to your preferences.** Only your last submitted preferences, prior to the deadline, will be considered in the allocation.

After the deadline has passed you cannot change your preferences unless there is a genuine unforeseeable reason for you needing to do so, for example, if a sibling has moved schools. Evidence of the change will be required before the processing deadline of 12 February 2021 for the Pupil Admissions Team to amend your preferences and any other relevant information linked to your application.

Parents wishing to change their preferences after the deadline without a genuine unforeseeable reason cannot submit new preferences until after the allocation date. At that time parents should complete a new application through our website. Changes of preference in this instance are outside the normal admissions round, and along with late applications, will not be processed until after 14 May 2021.

## How will I hear the outcome of my application?

If you apply on or before 12 February 2021, and supply an email address, you will be sent an email on allocation day to confirm the outcome of your application. It is therefore important that you use an email account you will have access to on allocation day. Parents who do not supply an email address will receive a letter, which is sent by 2<sup>nd</sup> class post on allocation day, with the outcome of their application.

If you apply after the 13 February 2021 you will be notified of the outcome of your application after 14 May 2021. Parents will not be notified of the outcome of their application over the telephone and applicants unable to access email accounts used in an application must request their allocation result be issued by letter which will be sent by 2<sup>nd</sup> class post.

## What happens after allocation?

The majority of parents in West Sussex will receive an offer of a school place at a school they expressed a preference for. For children starting school for the first time, the school offered will ask you to accept the place and provide a copy of your council tax bill as proof of your address. **Accepting the place offered does not affect your right of appeal or to be on the waiting list for any school you have been refused.** If your address has or will be changing you must notify the Pupil Admissions Team without delay. The Headteacher of the school your child has been allocated will contact you to confirm the school's induction arrangements.

Different arrangements may apply for parents being offered school places in other Local Authority areas. If you have been offered a school in another Local Authority area you should contact the school to confirm the necessary arrangements for entry to the school.

Parents wishing to add or change preferences on their application can do so after the allocation date by submitting either an electronic late application form through our website or by completing a paper form. When doing so parents should clarify the order of the new preferences and any previous ones. Changes of preference in this instance are outside the normal admissions round, and along with late applications, will not be processed until after 14 May 2021.

## What can I do if I am not offered a place at the school I wanted?

If we cannot offer your child a place at any of your preferred schools, we will offer a place at your catchment school if availability allows or, if your catchment school is full, you will be offered a place at the nearest school to your home address with a place available. (This only applies to children resident in West Sussex. If you live in another Local Authority's area they will offer you a place at one of their schools, if your preferences cannot be met). For this reason we always advise parents to include their child's catchment school as one of their three preferences. If you are unhappy with the school you have been offered The Pupil Admissions Team can tell you which alternative schools have places available but you should be aware these may be further from your home than the offer you currently have. Please note that we have a statutory obligation to offer your child a school place and, therefore, we will not withdraw the place offered until we receive written confirmation, by letter or email, of the alternative arrangements you have made for your child's education once they reach statutory school age.

## Can I appeal?

You have the right to appeal against the decision not to offer a place at any of your preferred schools. All appeals are heard by an independent panel. If you have been refused a place in West Sussex at your preferred school(s) in writing, you can access an online appeal form and details of the appeals process at [www.westsussex.gov.uk/education-children-and-families/schools-and-colleges/school-places/school-appeals-and-waiting-lists/](http://www.westsussex.gov.uk/education-children-and-families/schools-and-colleges/school-places/school-appeals-and-waiting-lists/). If you require a paper form you can ring 03330 142 903 to request one. If you decide to appeal, you will receive advance notice of the hearing date. You will be invited to attend the appeal and you may take someone with you for support. The hearing will be conducted as informally as possible and you will have the opportunity to put forward your case and ask questions.

For Reception, Year 1 and Year 2, the right of appeal is restricted by law due to Infant Class Size legislation. Where classes are organised in these year groups in classes of 30 pupils, you could only be successful if you could prove that:

- a) the admission arrangements were incorrectly applied in your case and your child should have been offered a place or the child would have been offered a place if the arrangements had not been contrary to mandatory provisions in the School Admissions Code or the law or
- b) the admission authority acted unreasonably – that is, the decision made was perverse and would not have been made by a reasonable authority.

If your appeal is refused, the Local Authority or Governing Body (at an academy, church voluntary aided school, foundation school or free school) will not consider a further application or appeal for a place at the same school, in the same academic year, unless there is a significant material change in your circumstances or those of the school.

Please note that appealing for a school place does not give priority on a waiting list. If you were refused a school place outside of West Sussex then you need to contact the Admissions Authority for the school refused for information on their appeal process.

## Will my child's name be added to the waiting list?

If your child was refused a place in writing at a West Sussex school they will automatically be added to the waiting list for that school. Waiting lists are set-up 20 school days after the allocation date and will be held until 31 December. If you wish your child to remain on any list after this date you must confirm this in writing or by email to the Pupil Admissions Office in December. It is the parent's responsibility to make contact with the Pupil Admissions Team – reminders will not be sent. If you have been refused a place at an Academy, Church Aided or Free School the waiting list will be held by the Admissions Team until September, when it will be passed to the school. From September you should contact the school directly regarding their management of the list. If you were refused a school place outside of West Sussex you need to contact the Local Authority for the school refused for information on their waiting list procedure.

All waiting lists are held in accordance with the School Admissions Code as required by the Department for Education. For example, waiting lists must reflect the over-subscription criteria used at allocation and it is prohibited to prioritise lists using a date order.

The oversubscription criteria for all Community and Voluntary Controlled schools in West Sussex are shown on pages 20-55. The oversubscription criteria for church aided and foundation schools and academies in West Sussex are available either on the schools' websites or from the schools. For Community and Voluntary Controlled schools, within each criterion waiting list positions are ordered by straight line distance to the school, the nearest having higher priority. If a place becomes available following the allocation it will be offered to the child at the top of the waiting list at that time.

### **What happens if my child can be offered a place from the waiting list?**

If a place becomes available from a waiting list, you will be contacted using the information in your application. If we do not receive a reply from you within 5 working days of trying to contact you, your child's name will be removed from the waiting list and the place will be reallocated to the next child on that list. You may wish to provide additional contact information in order to ensure you can be contacted promptly in the event of a place becoming available. When doing so please ensure you consider your access to that route of contact

i.e., can you access your emails whilst on holiday.

You should note we do not rank children on waiting lists until a place actually becomes available. At that time waiting lists are reviewed in accordance with the relevant school's over subscription criteria. The available place is then offered to the child at the top of the list at that time. The Admissions Team will only contact you regarding a waiting list if a place becomes available that can be offered to your child. We are unable to give any indication as to the likelihood of a place becoming available as spaces can only be allocated if children withdraw from a school's intake list. **For this reason we would ask that you do not contact the Pupil Admissions Team regarding waiting list positions.** Should you decide that you no longer want your child's name on a list please notify us as this will help prevent unnecessary delays in reallocating spaces should they become available. The team may contact parents as the academic year progresses to confirm if they wish their child's name to remain on a waiting list. This is to ensure the smooth operation of the lists and to avoid delays in allocating places should they become available.

Unless you are advised of an alternative school place, you should assume the place offer made for your child remains available and liaise with the school regarding their intake arrangements when they make contact with you.

### **Can I appeal for or put my child on a waiting list for a school that wasn't one of my original preferences?**

If you wish to appeal or have your child placed on a waiting list for a school that was not one of your original preferences, you must first make an application for that school by completing an application form available at [www.westsussex.gov.uk](http://www.westsussex.gov.uk) or calling 03330 142 903. Only when you have been refused a place in writing can you appeal and your child will be placed on the waiting list. Late applications are automatically added to the waiting list and we will confirm this when we write to you refusing you a place at the school.

## Contact List for all Primary Schools in the West Sussex Northern Area; including Academies, Church Voluntary Aided Schools, Community and Voluntary Controlled Schools, Foundation Schools and Free Schools.

- Map of the North/South areas is on page 70 of this booklet
- South area schools are listed on pages 41-68

## Oversubscription Criteria for Schools in West Sussex for September 2021

(Oversubscription Criteria for previous years is available on the website.)

### West Sussex County Council Oversubscription Criteria

These are the criteria that apply to the majority of community and voluntary controlled schools.

- The tie-break used is a straight-line distance. (Where the tie-break produces two or more equal distances the deadlock is broken by random allocation.)
- All distances are measured by a straight line from the school to the child's home address, using Ordnance Survey data within the curtilage of the property.
- Where priority is given for a sibling, brothers or sisters may be half or step siblings (by marriage or co-habitation) or foster siblings but must be living permanently at the same address.
- West Sussex County Council only gives sibling priority if the sibling will be at the school at the time of application and will still be in the school at the time of admission; or if the sibling will be attending the linked junior school when the child starts<sup>19</sup> (see pages 35 and 55 for the lists of linked schools). **Please note it is the parent's responsibility to tell the Pupil Admissions Team about sibling links in their application.**
- Siblings of children who have been refused a place at their catchment school because the school was oversubscribed at the point of application\* will be treated as living in the catchment area for the allocated school when they apply for starting school.

\*This will only apply if an application was made for the catchment school and the place refused in writing. Please note that it is the parent's responsibility to indicate these circumstances when applying for the younger sibling's school place.

### Starting School Allocation:

Any child with an Education Health and Care Plan (or a Statement of Special Educational Needs) naming the school will automatically be admitted to that school, under section 324 of the Education Act 1996.

1. Looked after children (children in public care), children who were previously looked after who leave care under a special guardianship, residence, child arrangement or adoption order. See page 9 for further details. Evidence must be provided;
2. Children who are subject to a special guardianship order who have not previously been in local authority care. Evidence must be provided.
3. Children who need a place at the school on exceptional and compelling social, psychological or medical grounds. See page 9 for more information. Evidence must be provided;
4. Children who live in the catchment area with brothers or sisters already at the school or who will be attending the linked junior school when the child starts;
5. Other children who live in the catchment area;
6. Other children who live outside the catchment area with brothers or sisters already at the school or who will be attending the linked junior school when the child starts
7. Children of staff in either or both of the following circumstances: where the member of staff has been employed at the school for two or more years at the time which the admission to the school is made; and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage
8. Other children who live outside the catchment area.

## **Variations to West Sussex County Council's oversubscription criteria in the Northern Area**

### **Colgate, Warninglid and Pease Pottage**

From September 2021 Warninglid Primary School is re-locating to a new site on the Woodgate development in Pease Pottage and will be known as Woodgate Primary School. Woodgate Primary School and Colgate Primary School will form a Federation but will retain their separate locations and catchment areas.

The catchment area for Woodgate Primary School will be drawn around the perimeter of the new development and we will formally consult on the changes to the catchment area and the oversubscription criteria for September 2022.

Children who currently attend Warninglid Primary School will migrate to the new school building in September 2021. Children whose parents apply for and are offered places for September 2021 will begin their educational journey in the new school.

For information on the oversubscription criteria for Woodgate Primary School and Colgate Primary School please see Appendix 1 North.

### **Maidenbower, Crawley**

There are two infant schools in Maidenbower, **The Brook Infant School** and **Maidenbower Infant School**. Their oversubscription criteria differs to those for the other Community schools in the county. The oversubscription criteria can be found in Appendix 1 North.

### **Southwater, Horsham**

There are two schools with reception year intakes in Southwater: Castlewood Primary School and Southwater Infant Academy. Applications for Castlewood Primary School will be considered according to their oversubscription criteria. Please see Appendix 1 North.

## Southern Area

### Rose Green Infant School

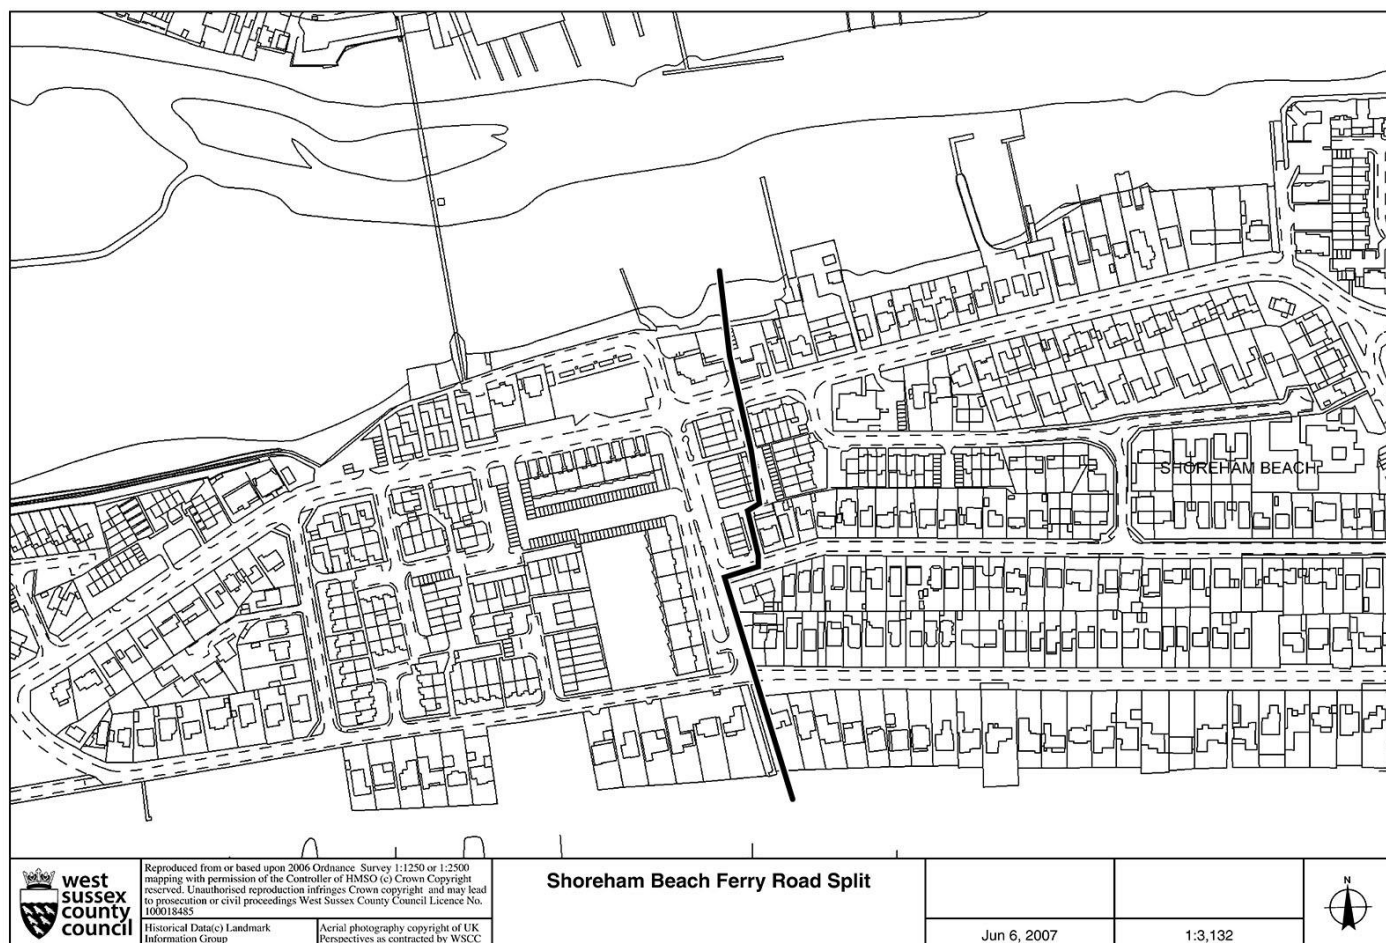

The Rose Green Infant School oversubscription differs from those for other Community schools in the county. Priority is given to children living in the catchment area for the school to the West of the line shown on the map. The oversubscription criteria can be found in Appendix 1. The map below is for illustration purposes only. Parents can check at [www.westsussex.gov.uk/admissions](http://www.westsussex.gov.uk/admissions) as to which school's catchment they live in.

## Shoreham Beach Primary School

The oversubscription criteria differs from other Community schools in the county. Priority is given to children who live in the catchment to the East of Ferry Road above those who live in the catchment to the West of Ferry Road (please see Appendix 1 South) The map below is for illustration purposes only. Parents can check at [www.westsussex.gov.uk/admissions](http://www.westsussex.gov.uk/admissions) as to which school's catchment they live in.

## Church Voluntary Aided Schools, Foundation Schools, Free Schools and Academies

Church Voluntary Aided Schools, Foundation Schools, Free Schools and Academies are 'own admission authority schools', responsible for determining their own admission arrangements. The oversubscription criteria for church aided and foundation schools and academies in West Sussex are available either on the schools' websites or from the schools.

Parents wishing to express a preference for any of these schools are advised to view the school's full admission policy and supporting notes, including definitions, available within the school's prospectus and on the school or admissions website.

# TRANSPORT TO SCHOOL

## West Sussex Sustainable Modes of Travel Strategy

### Introduction

The Education and Inspections Act 2006 requires local authorities to publish a Sustainable Modes of Travel Strategy to promote the use of sustainable travel to and from school and between school establishments.

### Aims of the Strategy

The Education and Inspections Act 2006 extends local authorities' duties to support choice through provision of transport and transport arrangements, including provision of free transport for the most disadvantaged families.

The strategy supports this by building on existing strategies, plans and policies adopted by the Local Authority. Through the implementation of the strategy the Local Authority will:

- Help to improve travel planning to schools and colleges
- Improve accessibility to schools and colleges
- Improve road safety and healthy lifestyles for children
- Continue to build on reduction of car use for school journeys
- Improve safety at school gates by discouraging illegal and inconsiderate parking behaviours at drop-off and pick-up times
- Increase walking, cycling and using public transport to and from school
- Encourage independent travel for children and students with special educational needs.

### The Strategy

The strategy complements the West Sussex Transport Plan 2011-26 and draws from the Local Authority's other plans and strategies including:

- Safer Routes to School delivery programme
- School Travel Plan programme (including behavioural change activities)
- Road Safety Framework 2016-2026
- Walking and Cycling Strategy 2016-26
- West Sussex Bus Strategy 2018-26
- Home to School and College transport policies which are summarised in the Information for Parents Booklet and also available on the council's website (see links below).

## **School Travel Plans**

Through the School Travel Plan Programme, the Local Authority is working alongside schools to enable schools to develop and maintain an accredited Travel Plan. Travel Plans are accredited through ModeShift Stars. School Travel Plans include advice for parents about existing travel to school and plans for improvement. They should measure and monitor the journey to and from school to help plan for future travel needs. School Travel Plans are available either through the schools' websites or by contacting schools direct.

## **Walking to school**

Through the development of the Walking and Cycling Strategy 2016-26, walking buses, the Safer Routes to School programme and other walking initiatives (e.g. walk to school week), the Local Authority supports and encourages walking to school, not only to reduce car usage but to improve both the health of children and the environment locally.

## **Cycling**

Through its Walking and Cycling Strategy 2016-26, the Local Authority is committed to promoting cycling as normal and acceptable behaviour including for travelling to and from school or college. As well as local information in some school travel plans, advice on cycling in West Sussex can be found on the County Council's website. The website also links to the West Sussex Cycle Journey Planner (see the table below for links.)

Schools will have their own cycling policies and will also be able to advise on the facilities that they can offer, such as cycle racks and storage.

## **Public Transport**

The Local Authority is committed to promoting the use of public transport. Information about rail and bus timetables, fares and travel planning can be found through the links and contact points in the table below.

Students who attend full-time courses at sixth forms, sixth form colleges or colleges of further education can also get 50% off rail tickets (including season tickets) using the 16-17 Saver, a national scheme supported by the Department for Transport. This replaces the Sussex Student Card.

The Local Authority works actively alongside bus operators to review existing and implement new bus infrastructure.

## **Help with Home to School and College transport**

In the majority of cases, parents are responsible for their children's travel and costs. Some children and young people may be entitled to help with transport, depending on the school or college they attend and the distance between home and school. Individual circumstances may also be taken into account e.g. where a child or young person has special educational needs or where the family is on low income.

Further information about help with transport to and from school or college can be found on the school transport section of the council's website. Additional information for students attending sixth forms, sixth form colleges or colleges of further education can be found in the Post-16 Transport Policy Statement and its appendices published annually on the website.

## Independent Travel Training

The County Council is committed to the principles of inclusion and independent living for children and young people with special needs and disabilities. The ability to travel independently is an important part of preparing children and young people for adulthood. Whilst for some it will be difficult, many parents can help by using public transport with their children as much as possible so that they get used to it as a normal mode of travel. Parents can help by training their children to use public transport independently as they get older.

Schools and colleges also help by offering independent travel training to help children and young people achieve independent living outcomes in their Education, Health and Care Plan. Wherever possible, there is an expectation for children and young people to travel to and from school or college independently.

## Introduction

The Education and Inspections Act 2006 requires local authorities to publish a Sustainable Modes of Travel Strategy to promote the use of sustainable travel to and from school and between school establishments.

## Aims of the Strategy

The Education and Inspections Act 2006 extends local authorities' duties to support choice through provision of transport and transport arrangements, including provision of free transport for the most disadvantaged families.

The strategy supports this by building on existing strategies, plans and policies adopted by the Local Authority. Through the implementation of the strategy the Local Authority aims to:

- Help to improve travel planning to schools and colleges
- Improve accessibility to schools and colleges
- Improve road safety and healthy lifestyles for children
- Continue to build on reduction of car use for school journeys
- Improve safety at school gates by discouraging illegal and inconsiderate parking behaviours at drop-off and pick-up times.
- Increase walking, cycling and using public transport to and from school
- Encourage independent travel for children and students with special educational needs.

## The Strategy

The strategy complements the West Sussex Transport Plan 2011-26 and draws from the Local Authority's other plans and strategies including:

- Safer Routes to School delivery programme
- School Travel Plan programme (including behavioural change activities)
- Road Safety Framework 2016-2026
- Walking and Cycling Strategy 2016-26
- Home to School and College transport policies which are summarised on page 67 of this booklet.

## School Travel Plans

Through the School Travel Plan Programme, the Local Authority is working alongside schools to ensure that all schools develop and maintain an accredited Travel Plan. Travel Plans are accredited through ModeShift Stars. School Travel Plans include advice for parents about existing travel to school and plans for improvement. They should measure and monitor the journey to and from school to help plan for future travel needs. School Travel Plans are available either through the schools' websites or by contacting schools direct. School websites and telephone numbers are listed on pages 20-55 of this booklet.

## Walking to school

Through the development of walking buses, the Safer Routes to School programme and other walking initiatives (e.g. walk to school week), the Local Authority supports and encourages walking to school, not only to reduce car usage but to improve both the health of children and the environment locally.

## **Cycling**

Through its Walking and Cycling Strategy 2016-26, the Local Authority is committed to promoting cycling as normal and acceptable behaviour including for travelling to and from school or college. As well as local information in some school travel plans, advice on cycling in West Sussex can be found on the County Council's website. The website also links to the West Sussex Cycle Journey Planner (see the table below for links.)

Schools will have their own cycling policies and will also be able to advise on the facilities that they can offer, such as cycle racks and storage.

## **Public Transport**

The Local Authority is committed to promoting the use of public transport. Information about rail and bus timetables, fares and travel planning can be found through the links and contact points in the table below.

Students who attend full-time courses at sixth forms, sixth form colleges or colleges of further education can also get discounted rail season tickets using the Sussex Student Card, a scheme that is supported in partnership with Southern Railways.

The Local Authority works actively alongside bus operators to review existing and implement new bus infrastructure.

## **Help with Home to School and College transport**

In the majority of cases, parents are responsible for their children's travel and costs. Some children and young people may be entitled to help with transport, depending on the school or college they attend and the distance between home and school. Individual circumstances may also be taken into account e.g. where a child or young person has special educational needs or where the family is on low income.

Further information about help with transport to and from school or college can be found on page 64 of this booklet or through the school transport website. Additional information for students attending sixth forms, sixth form colleges or colleges of further education can be found in the policy statement and its appendices published annually.

## **Independent Travel Training**

The County Council is committed to the principles of inclusion and independent living for children and young people with special needs and disabilities. The ability to travel independently is an important part of preparing children and young people for adulthood. Whilst for some it will be difficult, many parents can help by using public transport with their children as much as possible so that they get used to it as a normal mode of travel. Parents can help by training their children to use public transport independently as they get older. Schools and colleges also help by offering independent travel training to help children and young people achieve independent living outcomes in their Education, Health and Care Plan. Wherever possible, there is an expectation for children and young people to travel to and from school or college independently.

## West Sussex Home to School Transport Policy

The full Home to School Transport Policy is available at [www.westsussex.gov.uk/schooltransport](http://www.westsussex.gov.uk/schooltransport) along with further information about school transport.

You will receive help to a community or voluntary controlled school if your child is:

- of statutory school age and is under 8 years old and
- lives two miles or more from their catchment or nearest suitable school or
- is 8 years or over and
- lives three miles or more from their catchment or nearest suitable school.

Distance is measured by the shortest walking route.

Help will also be given to families on low income if your child is 8 or over and you live two miles or more from the catchment or nearest suitable school. To qualify you must be eligible for income based free school meals or the family must be receiving Working Tax Credit at the maximum level. In these circumstances, help is given until the end of the school year. A fresh application is required the following year.

Help with transport is not offered to children attending church aided schools unless it is also the nearest school to the home address.

Please note that the school transport policy and school transport arrangements are subject to review from time to time.

To make enquiries regarding eligibility you can contact the **Transport Co-ordination Group** at [school.transport@westsussex.gov.uk](mailto:school.transport@westsussex.gov.uk) or (01243 **753530**)

### **If you are unhappy with a Transport Decision**

If you are not satisfied with a decision about your entitlement to free transport or assistance, you should contact the Transport Bureau to discuss this matter. If you feel there are special circumstances you may appeal to the Director of Education and Skills for the case to be reconsidered. In exceptional circumstances, the case may be referred to an appeal panel of elected members.

### **In-year applications to join an established year group**

An in-year admission is the admission of a pupil to a school which takes place outside of the normal admission round. This includes pupils changing schools, pupils coming from a different country or from other parts of the UK, pupils returning to a school from living elsewhere or those who have not been in school. If a child is coming from abroad to the UK for the first time then the child must be in the country when you apply. However, if the child has previously lived in the UK, **and** you can prove that you are returning to a property which you own or rent in West Sussex, then you can apply in advance of the child arriving in the country. If in doubt please contact the Pupil Admissions Team for advice.

If you are thinking of changing schools because your child is not getting on at their current school then you should always discuss your reasons for the move with the current school. If you remove your child from school and home educate for less than six months your child will be expected to return to their previous school if there is space available. In-year applications will only be considered under the exceptional and compelling criteria at the time of the original application, unless there is an unforeseeable change of circumstance after the application was made. Therefore, supporting evidence from an independent professional (see page 9 above) must be submitted with the original application.

Details of how to make an in-year application, which form to use and where to send it can be found at [www.westsussex.gov.uk/admissions](http://www.westsussex.gov.uk/admissions), or you can telephone 03330 142 903 for advice and an application form. Online applications made at a weekend are treated as being received on the next working day. In-year applications for schools outside West Sussex should be made direct to that school or Local Authority.

Where West Sussex County Council processes applications, either as the Admissions Authority for the school or on behalf of the governing body of an own admission authority school, we aim to do so within ten school days of receipt, although this can be longer at busy times or if required information is delayed or complex. We can only offer a place if there are spaces in that year group and places for established year groups cannot be reserved in advance. You can make an in-year application at any time and places.

normally have to be taken up within 10 school days. The exception is that in-year applications for September entry (apart from the intake year) can be made from 20 May and will be processed as if received on 1 June. In-year applications for September received on or before 19 May will be returned to the applicant and must be resubmitted on or after 20 May. Where preferences cannot be met parents will be advised of how to go on the waiting list and their right of appeal.

Where West Sussex County Council does not process In Year applications on behalf of the governing body of an own admission authority school, you need to contact the school direct. It should be noted that schools that require completion of a Supplementary Information Form (SIF), for example church voluntary aided schools or academies with a religious character, will also need this for an In Year application.

Special rules apply to in-year applications for the following groups of children:

**Service Personnel** - West Sussex County Council is committed, in accordance with The Armed Forces Covenant, to ensuring that members of the Armed Forces Community suffer no disadvantage in accessing public services. Members of the armed forces with automatic right of entry to the UK who are able to provide evidence of their relocation may apply for a school place ahead of a move. An application can be made as soon as confirmation of the relocation is available, with no restriction on how far in advance the application can be made. Armed forces applications must be supported by an official letter that declares a relocation date and a Unit postal address or quartering area address and it is this address that will be used when considering the application. There is no guarantee that a place will be available at a preferred school; each application will be considered in line with the school's admissions criteria. Please note that only applications made from the Unit postal address or quartering area address can be processed in advance.

**Crown Servants** - Crown servants with automatic right of entry to the UK who are able to provide evidence of their relocation may apply for a school place ahead of a move. An application can be made as soon as confirmation of the relocation is available, with no restriction on how far in advance the application can be made. For crown servants a United Kingdom address can only be used if there is evidence of the address the child is returning to. There is no guarantee that a place will be available at a preferred school; each application will be considered in line with the school's admissions criteria.

**Vulnerable Children** – In accordance with the School Admissions Code, a Fair Access Protocol exists to ensure that un-placed children, especially the most vulnerable, for example children who are homeless or children who are carers, are offered a place at a suitable school as quickly as possible. You will be contacted after you have returned an application form if your application is to be processed under the Fair Access Protocol.

**Looked After Children and Previously Looked After Children** - It should be noted that the School Admissions Code 2014 differentiates between a looked after child and a previously looked after child. A local authority has the power to direct a maintained school to admit a looked after child, even when the school is full. This is not the case with a previously looked after child.

**Infant Class Size Legislation** - Legislation relating to Infant Class Sizes must be adhered to. This means that classes for Reception, Year 1 and 2 must not contain more than 30 pupils with one teacher. In allocating places in these year groups the Admission Authority must comply with this legislation as it is a statutory requirement and every effort must be made to keep over-sized classes to a minimum. Section 2.15 of The School Admissions Code (2014) outlines very limited circumstances in which an exception to this rule can be made.

## **Glossary**

### **Academy**

Academies are independently managed schools. They are set up by sponsors from business, faith or voluntary groups in partnership with the Department for Education (DfE) and the Local Authority. Academies are run by their own governing body, which sets the admissions criteria and makes admissions decisions.

### **Admission Authority**

The body that decides which children can attend a school, based on their Admission Policy. For community and voluntary controlled schools this is the Local Authority. For academies, church voluntary aided schools, foundation schools and free schools, it is the Governing Body.

### **Back-classing**

The Department for Education expects pupils to be educated in their correct chronological year group. A back-classing arrangement is when a child who has already been in receipt of education repeats an academic year and is therefore educated outside of their chronological year group. This is an exceptional arrangement and applications must be supported by the current or most recent school.

### **Catchment School**

The school(s) that serve a specific area or address.

### **Children of Staff**

Priority will now be applied to children of school staff in either or both of the following circumstances (following section 1.39 of the School Admissions Code).

- Where the member of staff has been employed at the school for two or more years at the time which the admission to the school is made, and/or
- the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

### **Church Voluntary Aided School**

Church voluntary aided schools are schools with a religious character which are run by their own Governing Body, which sets the admissions criteria and makes admissions decisions. They are maintained by the Local Authority but the governing body contributes to building and maintenance costs.

### **Community School**

A community school is one which is funded and run by the Local Authority, who set the admissions criteria and makes decisions. The school is maintained by the Local Authority.

### **Co-ordinated Admissions**

During the 'Normal Admissions Round' Local Authorities are required to co-ordinate admissions for all pupils in an area. This means that every parent of a child living in West Sussex who has applied for a school place receives an offer of only one school place.

### **Delayed entry**

Delayed entry is when a summer born child starts school having reached statutory school age. They join a year group lower than their chronological year group. See page 13 of this booklet for further information.

### **Deferred Entry**

Deferred entry is when a pupil starting school for the first time starts school later than the first term of the academic year, often to continue attending nursery. Admission to school will still comply with statutory start dates i.e. the term after the child's fifth birthday, and to the correct year group.

### **Education, Health and Care Plan**

Replaces a Statement of Special Educational Needs (see below) from 1 September 2014.

### **Fair Access Protocol**

The Fair Access Protocol is a requirement of the School Admissions Code to ensure that – outside the normal admissions round - unplaced children, especially the most vulnerable, are offered a place at a suitable school as quickly as possible. The operation of the Fair Access Protocol is triggered when a parent of an eligible child has not secured a school place under in-year admission procedures.

## **Foundation (including trust) School**

A school where the Governing Body employs the school's staff and have a responsibility for admission arrangements. The school's land and buildings are owned by the Governing Body or by a charitable foundation or trust.

## **Free Schools**

Free schools are a type of Academy. They are set up by local people/groups. They are funded by the Department for Education (DfE). Free schools are run by their own Governing Body, which sets the admissions criteria and makes admissions decisions.

## **Independent School**

A school that charges fees and controls its own admissions, which are not co-ordinated by the Local Authority. Also known as Private Schools.

## **In-Year Admissions**

In-year admissions are applications made on or after the first day of the school term of the admission year for a place in an established year group.

## **Local Authority**

The council responsible for co-ordinating admissions to schools in the area and for determining admission arrangements and managing admissions to community and voluntary controlled schools. In West Sussex this is West Sussex County Council.

## **Looked After Children**

A child who is registered as being in the care of the Local Authority or being provided with accommodation by the Local Authority (under Section 22 of the Children's Act 1989).

## **Normal Admissions Round**

The period during which parents are invited to express three preferences for a place at any state-funded school, in rank order on the common application form provided. In West Sussex this period runs from when applications open on 5 October 2020 to our processing deadline of 12 February 2021. The deadline for on time parental applications is 15 January 2021. Applications received between 16 January 2019 and 15 February 2019 are out of time applications determined before the National Offer Day. Applications received between 16 February 2019 and 1 September

2019 are late applications outside the normal admissions round.

## **Number on Roll**

This is the total number of children at a school on a specific date.

## **Oversubscribed**

A school is oversubscribed when it has more applications than the number of places available (published admission number).

## **Preferences**

Parents have the right to state which three schools they would like their child to attend. However, there can be no guarantee that a place will be allocated at the preferred schools if they are oversubscribed.

## **Previously Looked After Children**

For school admission purposes a Previously Looked After Child is a child who was a Looked After Child but ceased to be so because they were adopted, or became subject to a Residence Order, Child Arrangements Order or Special Guardianship Order, immediately following having been looked after.

## **Private Fostering**

If you are caring for someone else's child for more than 28 days, you do not have parental responsibility for them and you are not a relative such as a grandparent, brother, sister, uncle or aunt (whether full blood, half blood or by marriage or civil partnership) or step-parent, you may be private fostering. It is a legal requirement that you contact West Sussex County Council on: 01403 229900 or email: [MASH@westsussex.gcsx.gov.uk](mailto:MASH@westsussex.gcsx.gov.uk)

## **Published Admission Number (PAN)**

This is the number of places available in each year group at a school, based on the actual accommodation at the school.

## **Religious Character**

Schools with a Religious Character are commonly known as 'faith' schools.

## **Sibling**

A brother or sister. School admissions policies should define exactly what this means. In community and controlled schools brothers and sisters can be half or step siblings (by marriage or cohabitation) or foster siblings sharing a common address. Cousins are not classed as siblings.

Some academies, church voluntary aided schools, free schools and foundation schools may take another approach and you should check the school's information.

### **Special Guardianship Order (SGO)**

Parents can apply under this category if their child is subject to a Special Guardianship Order who has not previously been in Local Authority Care. Evidence will need to be supplied with this application. If they have been in Local Authority Care, then they can apply under the Looked after children or previously looked after children category.

## **USEFUL CONTACT TELEPHONE NUMBERS**

**Pupil Admissions Team (Northern Area)** County Hall North, Chart Way, Horsham, RH12 1XH  
Telephone: 03330 142 903
