**(30MPH SPEED LIMIT) ORDER 2020**

**Statement Of Reasons For Proposing To Make The Order**

The County Council in exercise of their powers under the Road Traffic Regulation Act 1984 proposes to introduce a permanent Order under the provisions of the Road Traffic Regulation Act 1984, the effect of which will be to introduce a 30mph speed limit on Lynwick Street Rudgwick between Church Street and the A281 Guildford Road

Lynwick Street provides a route between the A281 and Church Street. The northern section running south of Church Street is currently subject to a 30mph speed limit and the remainder of the route to the A281 is currently subject to a 40mph speed limit.

Concerns have been raised by the community that the current 40mph speed limit is too high and still makes the route attractive as a rat-run. The North Horsham County Local Committee approved progression of a Traffic Order to resolve this issue.

It is proposed to reduce the speed limit on the southern section of Lynwick Street to 30mph. The proposed lower speed limit is compliant with the County Council's Speed Limit Policy and is deemed appropriate to reduce potential danger to pedestrians due to the volume and nature of traffic using the road.

The Order will be supported by the introduction of speed roundels to improve driver compliance with the lower speed limit.

This Order is proposed so as to reduce danger to persons or other traffic using the road or to minimise the likelihood of any such danger arising, and for facilitating the safe passage of any class of traffic (including pedestrians).

Drawing HON2002 LYNWICK STREET RUDGWICK PROPOSED SPEED LIMITS (21/7/20) shows the length of road, which is the subject of the proposed order.
