WEST SUSSEX COUNTY COUNCIL
(Arun District) (Parking Places & Traffic Regulation) (Consolidation)
Order 2010)

(Bognor Regis: Nyewood Lane and Various Roads Amendment) Order
2021

STATEMENT OF REASONS FOR PROPOSING TO MAKE THE ORDER

West Sussex County Council proposes to make a permanent Traffic Regulation Order that will prohibit waiting at any time (install double yellow lines) at the junctions of Nyewood Lane with: Ellasdale Road, Glencathara Road, Keats Walk, Normanton Avenue, Richmond Road, Shelley Road and Tennyson Road in Bognor Regis. The Order also prohibits waiting at any time at the junction of Ellasdale Road with Glencathara Road.

At its meeting of 31 October 2018, the Joint Western Area Committee prioritised a scheme to introduce junction protection measures in Nyewood Lane. Concerns had been raised by the local community that during events at the nearby football, tennis and bowling clubs, vehicles are often parked on the southern junction of Normanton Avenue with Nyewood Lane, causing obstruction.

On investigating these concerns, it was found that similar parking problems occur at several other junctions in Nyewood Lane where junction protection measures are not already in place.

A scheme of new junction measures was therefore designed to prevent this obstructive parking occurring, improving visibility at the junctions and preventing obstruction for traffic and pedestrians crossing the road.

The Order also enacts a restriction prohibiting waiting between 8am and 6pm on any day, on the eastern side of Nyewood Lane south of Aldwick Road. This restriction has been marked on site for some time but had been omitted from previous Orders in error.

The new Order is therefore proposed to avoid danger to persons or traffic using the road and to facilitate the passage of traffic.

The attached drawings, numbered SZ9298NEN, SZ9299SEN and SZ9299SES show the lengths of roads affected by the proposed Order.
