

# Knitted Purse present

You only need basic knitting skills for this awesome present!

## **You will need:**

Carrier bags in your chosen colour.

Decorative thread/string or thin ribbon

Scissors

Knitting needles

## **Method:**

cut carrier bags into continuous strip and knit an A4 rectangle. Fold into three and sew the sides into place with pretty string (metallic yarn maybe) to make a small clutch shaped bag. Add a button to close it with. Braid a strap (optional). This could be a present or it could be interesting wrapping to hold something else inside.
