

West Sussex Libraries

Aspergers and Autism Booklist

A selection of books to support children with ASD, represent neurodiverse characters, and to help other children understand the experiences of children with Autism.

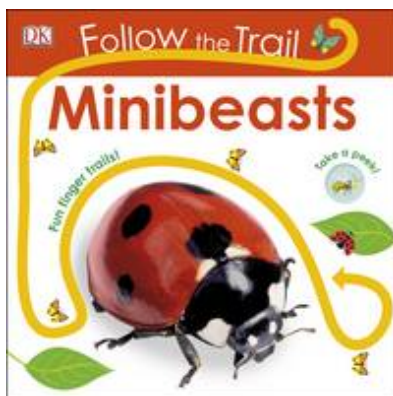

You may also want to see our booklists for Sensory Stories, Giant Print & Braille Books, Resources for Hearing Impaired Children, Dyslexia Friendly titles, and books about behaviour and new experiences.

Clicking on individual titles will take you to the library catalogue where you can find out more about the book, find out which library has a copy, or reserve a copy for collection at your local library.
