**ORDER 2022**

The County Council in exercise of their powers under the Road Traffic Regulation Act 1984, propose to make a permanent Order the effect of which will be to introduce a prohibition of heavy goods vehicles exceeding 7.5tonnes on Broadbridge Way. The restriction will apply to westbound vehicles between Wickhurst Lane roundabout junction and Sargent Way eastern arm and to eastbound vehicles between Billingshurst Road connector road and Sargent Way western arm.

The Parish Council, District Council and local residents have frequently reported that HGVs ignoring the current "Unsuitable for HGV" warning signage are driving through the residential estate causing damage to cars and highway verges.

It is proposed to introduce a formal prohibition of 7.5t HGVs except for access. For inbound vehicles only. This will enable enforcement action to be taken where necessary.

This Order is proposed for preventing damage to the road or any other building on or near a road, for preventing the use of the road by vehicular traffic of a kind which is unsuitable having regard to the existing character of the road or adjoining property and for preserving the amenity of the are through which the road runs.
