In West Sussex the District and Borough Councils have been delegated responsibility for the day to day management of the County Councils parking portfolio through Agency Agreements. Details relating to income received from Penalty Charge Notices (on and off-street) may be obtained from the respective District or Borough Council.

Expenditure is made up of the cost of providing the parking portfolio and the development of Controlled Parking Zones.

The surplus will be held and used towards the total cost of providing the County Council's parking service and supporting public transport in future years.
