**Statement of Reasons for Proposing to Make the Orders**

West Sussex County Council proposes to make two permanent Traffic Regulation Orders the effect of which will be as follows:

The first Order will prohibit waiting at any time (install double yellow lines) on lengths of both sides of Virginia Drive in Haywards Heath, between its junctions with Rocky Lane and Vita Close.

The second Order will introduce a 20 MPH speed limit throughout all lengths of Virginia Drive and all other new roads within the recently constructed Wychwood Park residential property development.

The Wychwood Park residential property development has recently been constructed on land south of Rocky Lane in Haywards Heath. Access through the development is provided by a spine road named Virginia Drive. The proposed waiting restrictions were specified during planning for the development and are intended to keep the road clear of parking at its northern end near the junction with Rocky Lane.

The layout of all roads in the new development have been designed to encourage traffic speeds of 20 miles per hour or less. The proposed 20 MPH speed limit throughout the new development is intended to formalise this and ensure safety on the new roads.

The new order is therefore proposed to avoid danger to persons or other traffic using the affected lengths of road and to facilitate the passage of traffic

The attached drawings, numbered TQ3322NWS and TQ3322SWN show the lengths of road affected by the proposed parking restrictions. Drawing number CMS9024 shows the proposed speed limits.
