Introduction

This Appendix lists the oversubscription criteria for all schools which do not use the West Sussex County Council standard oversubscription criteria for Community and Voluntary Controlled schools (reproduced at the bottom of this page). It includes all Church Voluntary Aided Schools, Foundation Schools, Free schools, Academies as well as Community and Voluntary Controlled schools which use variations of the standard West Sussex County Council oversubscription criteria.

Where a school was oversubscribed in September 2022 the number of places offered in each category are listed beside the criteria. For oversubscribed schools the total number of places offered, together with the criteria and distance of the last place offered, is shown at the bottom of the oversubscription criteria.

West Sussex County Council standard oversubscription criteria for Community and Voluntary Controlled schools

1. Looked after children (children in public care), children who were previously looked after who ceased to be so because they were adopted or became subject to a special guardianship order or child arrangements order. This includes children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. Evidence must be provided.
2. Children who are subject to a special guardianship order who have not previously been in local authority care. Evidence must be provided.
3. Children who need a place at the school on exceptional and compelling social, psychological or medical grounds. Evidence must be provided.
4. Children who live in the catchment area with brothers or sisters already attending the school and who will still be there when the child starts.
5. Other children who live in the catchment area.
6. Children who live outside the catchment area with brothers or sisters already attending the school and who will still be there when the child starts.
7. Children of staff in either or both of the following circumstances: where the member of staff has been employed at the school for two or more years at the time which the admission to the school is made; and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
8. Other children who live outside the catchment area.

Steyping Grammar School

Oversubscription Criteria for September 2023 showing the number of applications received under each category for September 2022 entry. For explanatory notes and evidence requirements please see the school's full Admissions Policy on their website.

All applicants who requested this school for September 2022 were offered a place, including children who applied after the deadline and those whose preferences for other schools couldn't be offered where this was either their catchment school or the nearest school with a place available.

The Published Admission Number (PAN) for Steyping Grammar School is 360. This is the total number of pupils within the capacity of both sites of the school, with 150 pupils on the Rock Road (Storrington) Site and 210 pupils on The Towers (Upper Beeding) site.

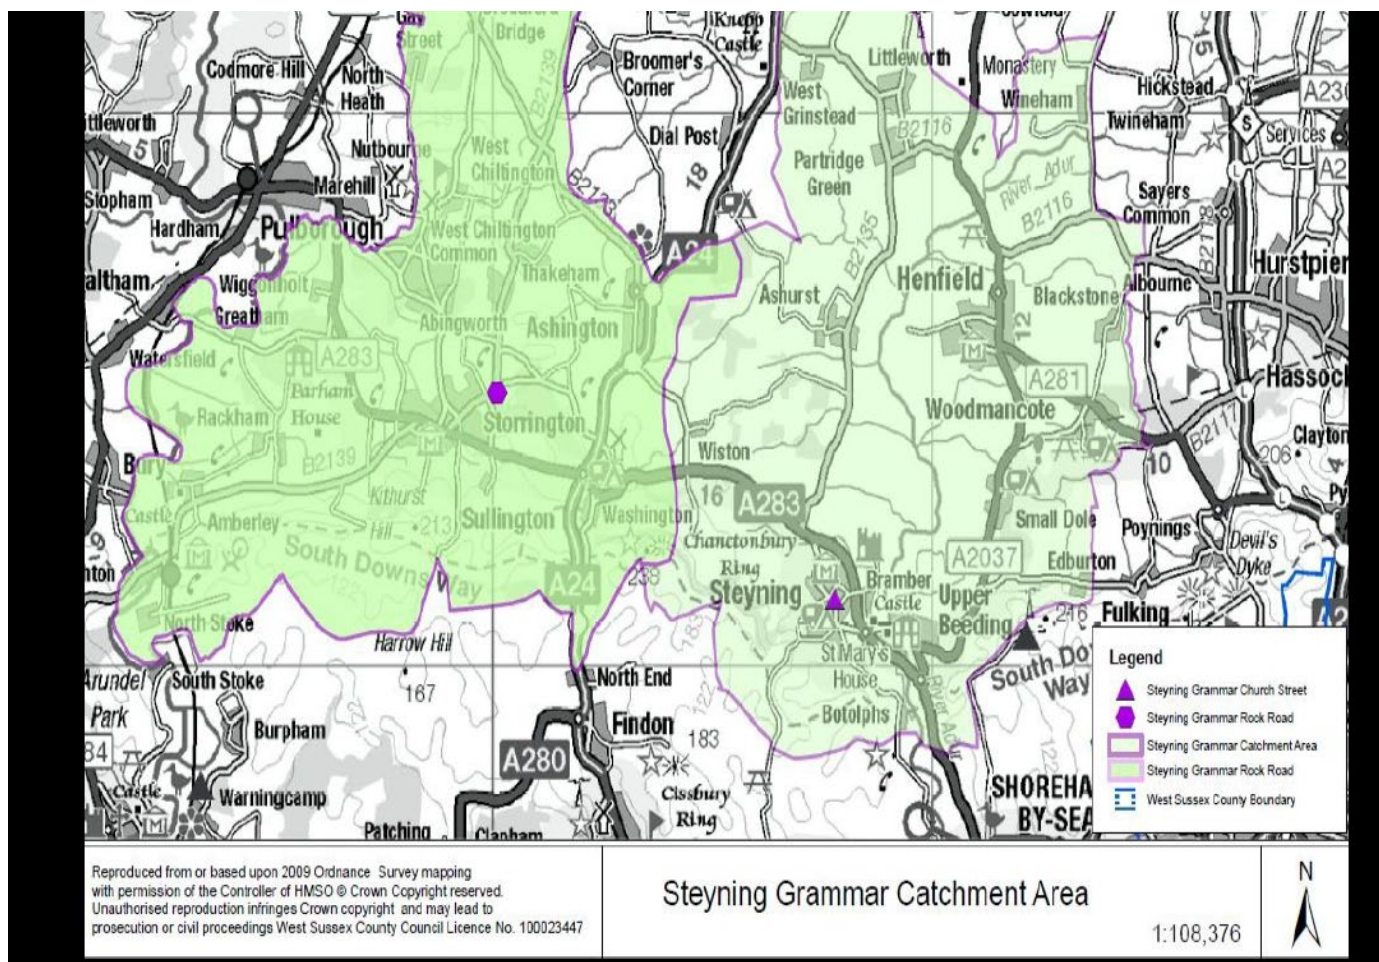

Applications are made for the school, not a specific site and parents should read the information about the site allocation on the school's website.

Oversubscription Criteria Steyping Grammar School 2023	
	Children with an Education Health and Care Plan
1	Looked after Children and previously looked after children.
2	Exceptional medical or social needs.
3	Children of staff.
4	Children who at the time of application have a sibling on the roll of Steyping Grammar School and who will still be on the roll at the time of the sibling's admission.
5	Foundation Places.
6	Children living within catchment.
7	Living outside of catchment, in order of priority.
	Total offers
	The criteria and distance in metres of the last place offered.

Steyping Grammar School – Children living within catchment

Children whose permanent home address is inside the school's designated catchment area as set out in the attached map and as follows. There are two campuses that cater for the Year 7 intake. Children who live in the Rock Road Campus part of the catchment area will be allocated the Rock Road, Storrington Campus. Children who live in the Towers Campus part of the catchment area will be allocated the Towers Campus. In both cases, allocation within catchment area for each site will be based on a straight line from the relevant campus to the child's home address, using Ordnance Survey data within the curtilage of each building. The measurement will be taken from the Campus site serving the student's home address – i.e. distances from addresses in the Rock Road Storrington Campus part of the Steyping Grammar School catchment area will be measured to the Rock Road Campus and distances

to addresses in the Towers Campus part of the Steyning Grammar School catchment area will be measured to the Towers Campus. If either site fills from applicants who live within one part of the catchment area, the remaining in catchment applicants will be allocated the other campus before any out of catchment area applicants are allocated a place at Steyning Grammar School. Under the WSCC Co-Ordinated Admissions Scheme, up to 150 children who live in the Rock Road Campus part of the catchment area will be allocated the Rock Road Storrington Campus and up to 210 children who live in the Towers Campus part of the catchment area will be allocated the Towers Campus. In both cases the School may agree with WSCC to accept more children than at either campus. For in catchment pupils Parents should note that if they apply for free transport, different criteria may apply and the distance from home to school might be measured using a different route. Where the offer of a place at Steyning Grammar School is made from the school's waiting list, the site offered will be subject to the campus capacity limits.

The left hand side with the purple hexagon shows the Rock Road part of the Steyning catchment area and the Rock Road Campus. The right hand side should be the Towers Campus but is, unfortunately, incorrectly labelled with Church Street Campus. The Towers Campus is further over to the right in Upper Beeding. The physical capacity at each Campus is as follows: 150 at Rock Road and 210 at The Tower.

Westergate: Ormiston Six Villages Academy

Oversubscription Criteria for September 2023 showing the number of applications received under each category for September 2022 entry. For explanatory notes and evidence requirements please see the school's full Admissions Policy on their website.
