Chichester – Chichester Free School

Oversubscription Criteria for September 2023 showing the number of applications received under each category for September 2022 entry. For explanatory notes and evidence requirements please see the school's full Admissions Policy on their website.

Oversubscription Criteria Chichester Free School 2023		How places were allocated for September 2022
EHCP	Children with an Education Health and Care Plan	0

A	<p>A 'looked after child' or a child who was previously looked after but immediately became subject to an adoption, residence or special guardianship order. A 'looked after child' is a child who is either in the care of a local authority or being provided with accommodation by a local authority as part of their social services function (Section 22 of the Children Act 1989). Evidence is required to support applications for looked after children or previously looked after children who ceased to be so because they were adopted (or become subject to a residency order or special guardianship order). Applications for looked after children should be made by the relevant social worker. Applications for children who are adopted should be supported by a copy of the adoption order and the new birth certificate. Applications for children who are subject to a residency order or special guardianship order should be supported by a letter from social services confirming the details of the arrangements for the child.</p>	0
b	<p>Children whose parents are founders of Chichester Free School and who have been granted this provision by the Secretary of State for Education. The founders are those individuals who have played a major role in establishing the school, undertaking activities during the application and who continued to play a significant role in the pre-opening stage and in the running of the school upon opening. A list of relevant founders is available from the school on request.</p>	0
c	<p>Children for whom it is essential to be admitted to this school because of special circumstances to do with significant medical, social, pastoral or psychological needs evidenced by written professional advice, explaining why these needs can realistically only be met by Chichester Free School. Decisions relating to admissions based on these needs will be made by the Board of Governors following advice from the Admissions Panel and in consultation with an appropriately qualified professional who is deemed expert in the particular field concerned.</p>	0
d	<p>Children who, on the date of admission, will have a sibling attending Chichester Free School. Sibling means a full, step, half, adopted or fostered brother or sister, but not cousin, who will be living permanently with them at the same address at the date of their entry to the school; the school may require proof of relationship.</p> <p>Note – At the discretion of the Chairman of Governors and the Principal acting together on behalf of the Governing Body, in the event of oversubscription, siblings with the same date of birth, such as twins and triplets or same-year siblings may be deemed to conform to a single admission and places will be offered to all those children (where necessary, taking the school over its published admission number). The school will only exceed its PAN if, in the Governing Body's opinion, there is sufficient space to do so without any detrimental effect on the overall quality of the education provided on balance to all students within the school. The legal maximum PAN is 30 pupils for infant classes (reception and years one and two), however if the 30th pupil admitted is a twin ,triplet etc. all the children will be admitted and will be classified as permitted exceptions under Infant class size legislation.</p>	27
e	<p>Children of staff in the following circumstances:</p> <ul style="list-style-type: none"> i. Where they have been employed at the school for two or more years, at the time at which the application for admission to the school is made. ii. Where the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage. 	1

f	If there are still places to be filled after the above five criteria have been applied, and there are still more applicants than places, then the remaining places will be filled by random allocation. Those applicants unsuccessful after random allocation would then be offered a place on the waiting list.	32

Oversubscription Criteria for September 2023 showing the number of applications received under each category for September 2022 entry. For explanatory notes and evidence requirements please see the school's full Admissions Policy on their website.

All applicants who requested this school for September 2022 were offered a place, including children who applied after the deadline and those whose preferences for other schools couldn't be offered where this was either their catchment school or the nearest school with a place available.

Oversubscription Criteria Kingsham Primary School 2023	
EHCP	Children with an Education Health and Care Plan
1	Children who are looked after by a local authority (i.e. in their care or provided with accommodation by the authority for a continuous period of more than 24 hours). Children who were previously looked after but immediately following being looked after became subject to an adoption order, residence or special guardianship order.
2	Children or families with significant, physical, psychological or social need. Evidence must be attached with the application. Applications under this criterion must be supported by written evidence from an appropriate professional involved stating clearly why the preferred school is the most appropriate for the child and reasons why other schools in the local authority are inappropriate.
3	Children of a member of staff who has been employed at the school for two or more years at the time at which the application is made and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
4	Children who have a brother or sister (living within the same household) already on roll and who will still be attending the school or a linked school (see table below) the following academic year. This does include step-brothers/step-sisters/foster brothers/sisters living within the same household or children whose parents are married or cohabiting and live together within the same household.
5	Children living within the school's designated catchment area. If the school cannot admit all applications from the catchment area, priorities 6(i) to 6 (iii), will be used to allocate places.
6	Children living outside the school's catchment area in the following priority order: i) children attending, at the time of application, a named linked school (see table below)

- ii) Children eligible for the service premium at the time of application to the school.
Note - service premium is paid to eligible children of armed services personnel under S14 of the Education Act 2002
- iii) Children who live closest to the school, based on the shortest distance from home to school, measured 'as the crow flies'.
