West Sussex County Council
(Albourne and Hurstpierpoint & Sayers Common: Albourne Road (B2116))
(40 MPH Speed Limit) Order 2023

Statement of Reasons for Proposing to Make the Order

West Sussex County Council proposes to make a permanent Traffic Regulation Order that will extend the 40 MPH speed limit on Albourne Road (B2116) in the parishes of Albourne and Hurstpierpoint & Sayers Common, so that it runs from its junction with London Road (B2118) eastwards to a point 50m west of its junction with Langton Lane.

Currently there is a short length of national (60 MPH) speed limit on Albourne Road between the 40 MPH speed limit at Albourne and the 30 MPH speed limit at Hurstpierpoint. Residents have requested a review of this speed limit on the grounds that such a short length of national speed limit is unnecessary, is inappropriate given residential properties in the area and makes Albourne Road hazardous to cross.

On review this request complies with the aims of the West Sussex County Council Speed Limit policy, with this route meeting the criteria for a 40 MPH speed limit. It is therefore considered appropriate to extend the 40 MPH speed limit at Albourne eastwards to join the existing 30 MPH speed limit at Hurstpierpoint.

The new order is therefore proposed to avoid danger to persons or other traffic using the affected lengths of road.

The attached drawing, numbered MDS2305 shows the lengths of roads affected by the proposed order.
