

FREE Support Groups

for Primary TAs, LSAs and other support staff

Who is this group for?

Support staff who work intensively with children who are displaying distressed behaviours as a result of trauma. This group of children includes:

- Children we care for
- Those who are now adopted
- Those subject to a Special Guardianship Order
- Those subject to Child Arrangements Order
- Children with current or previous social care involvement

What is the aim of the group?

We recognise that working with children who have experienced trauma can have a real impact on staff. The aim of this group is to provide an opportunity for attendees to get to know others facing the same challenges in school and to share best practice in a supportive and open environment. The sessions offer both theory and practical strategies to support children in the school environment.

Each group consists of four sessions and will focus on a different theme

Attendees will need to be able to commit to all four sessions across one term (***either*** Autumn, Spring or Summer)
All sessions are Wednesdays 1pm – 3pm
