WEST SUSSEX COUNTY COUNCIL
(WEST DEAN & LAVANT: A286 & B2141)
(40MPH & 50MPH SPEED LIMIT) ORDER 202*

Statement Of Reasons For Proposing To Make The Order

The County Council in exercise of their powers under the Road Traffic Regulation Act 1984, propose to make a permanent Order the effect of which will be to reduce the speed limit on the section of the A286 between the villages of Mid Lavant and West Dean. There will be a 40mph speed limit centred on the junction with Binderton Lane and 50mph buffers to the north and south.

The section of the A286 between the villages of Mid Lavant and West Dean is currently de-restricted and subject to a 60mph speed limit. West Dean Parish Council submitted a Community Highway Scheme request to make the A286 from Lavant Down Road to the entrance of West Dean village safer and quieter.

A Highway Improvements Scheme has been developed to fulfil that brief. It is proposed to introduce a 725 metre length of 40mph speed limit north and south of the Binderton Lane junction with 50mph speed limit buffers extending 1077 metres north and 1105 metres south. The scheme aims to ensure greater safety for road users and, better noise protection for residents and wildlife.

This Order is proposed so as to avoid danger to persons or other traffic using the road or to minimise the likelihood of any such danger arising and for facilitating the safe passage of any class of traffic (including pedestrians).

Drawing CHI8008 Lavant – A286 - proposed speed limits shows the lengths of road, which are the subject of the proposed order.
