

West Sussex County Council

(Barnham & Eastergate: Public Footpath 325) (Temporary Closure) Order 2023

NOTICE is hereby given that the Secretary of State has approved the extension of the above Order made by West Sussex County Council under the Road Traffic Regulation Act 1984, the effect of which is currently in place to temporarily close Public Footpath 325 in the parish of Barnham & Eastergate from its junction with Lake Lane, southwards to its junction with Yapton Road.

The extended closure of this route is needed to maintain public safety following a risk assessment of the operation of a railway crossing on the route.

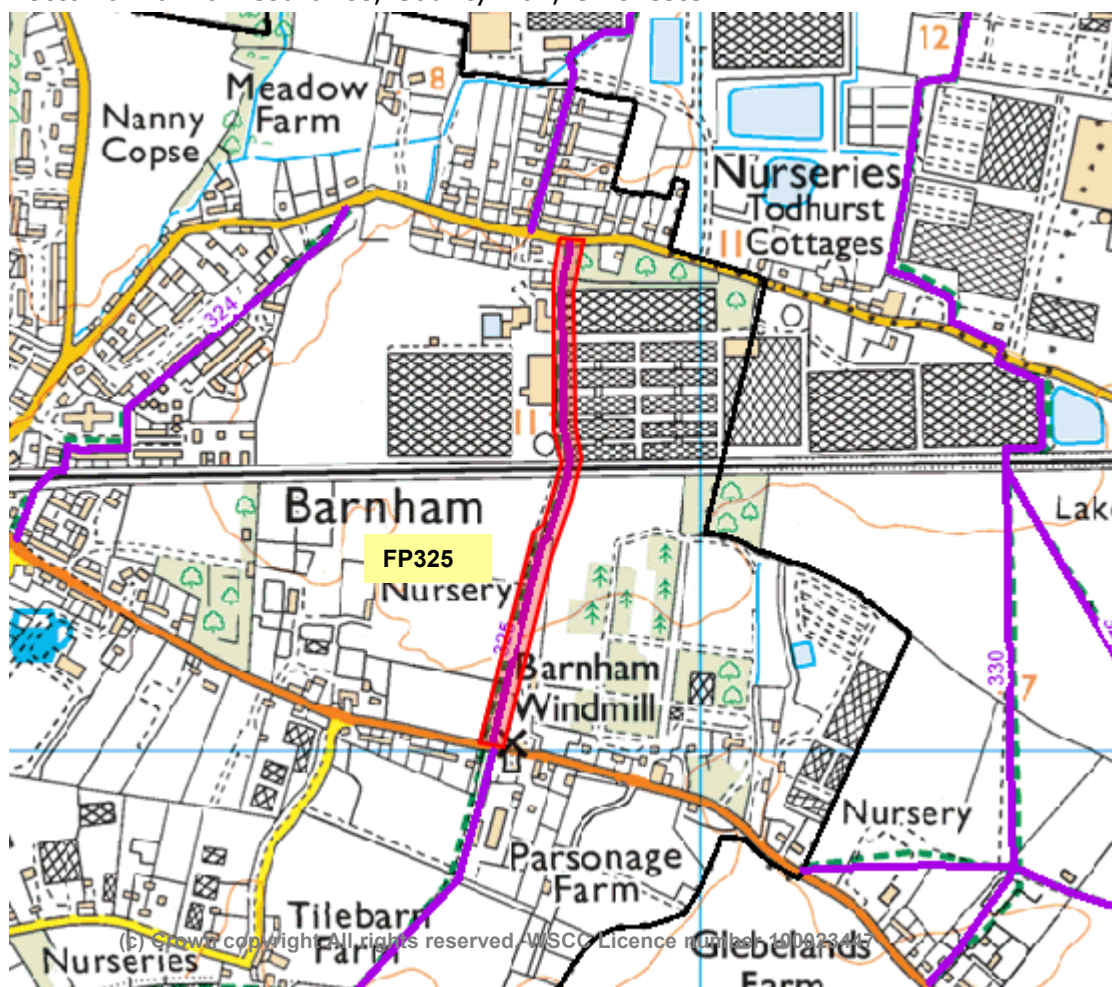

The operation of the Order will now be extended by 6 months to 15 May 2024, or until works to improve safety at the railway crossing are completed, whichever is earlier.

Unfortunately, during the operative period of the Order, no alternative route is available via the public rights of way network.

Any queries about the effect of the Order on traffic using the highway should be directed to the West Sussex County Council Public rights of Way Team, telephone number 01243 777620.
