Guest Speaker	Sarah Adams, CEO from Chichester District Foodbank visited the meeting to talk about how the Foodbank works in Chichester and the cabinet were able to open discussions of how the cabinet could help and support the Foodbank with its vital work helping people in our communities across the county.	Chair

Campaign Updates	Campaigns all gave updates to the chair and members.	Chair
Campaign Work	All campaigns continued their work to complete their aims.	Chair
Feedback & Farewell	<p>All campaigns gave a full update to the cabinet including the following:</p> <p>Environment: Prepared for our upcoming event at the Green Living sustainability festival – where they aim to focus on food waste which enables them to meet one of their campaign objectives. They have also launched plans to have a poster produced every month on specific issues that are celebrated during that month. This campaign is also working on what the best way is to get their first newsletter out. In addition to this they are in contact with a local business to create their first podcast after their podcast advertisement has been completed and a litter pick is being planned.</p> <p>Equality: Finished their presentation that they wish to present in schools and worked on completing posters on a wide range of issues.</p> <p>Mental Health & Wellbeing: Analysed and looked at what the best way was to publish the results of their recent survey</p> <p>Safety: Interviewed the Foodbank and planned possible fundraising events in the future that they can involve the foodbank with while also planning a script for podcasts including the foodbank.</p>	Chair
