West Sussex County Council  
(Adur District) (Parking Places & Traffic Regulation) (Consolidation) Order 2009  

(Shoreham: Forthaven & The Saltings Amendment) Order 2016  

STATEMENT OF REASONS  
FOR PROPOSING TO MAKE THE ORDER

West Sussex County Council proposes to make a permanent Traffic Regulation Order that will extend the existing double yellow lines on both sides of The Saltings so that waiting is prohibited at any time throughout the whole lengths of both sides of the road, and to introduce a restriction limiting waiting to 4 hours, no return within 4 hours 8am to 6pm Mon to Sat on a presently unrestricted length of the south side of Forthaven in Shoreham.

The Saltings:
The Saltings provides the only vehicular access to and from Shoreham Beach. There are presently double yellow lines on most of both sides of the road, with short gaps in the lines half way along the road which are used for parking. The road often becomes very congested with traffic queuing to exit onto the busy A259. The parked vehicles on The Saltings restrict the width of the road and prevent traffic turning right onto the A259 from forming a separate queue to vehicles turning left. This considerably increases the congestion seen in the road.

It is therefore proposed to extend the double yellow lines to remove this parking, allowing two queues to form and reducing the congestion. This part of the Order is therefore proposed to facilitate the passage of traffic.

Forthaven:
Forthaven is a short narrow road providing access to residential properties and the Shoreham Fort pay and display car park. There is a parking bay on the south side of the road at its eastern end, the use of which is presently un-restricted. It is reported that some large vehicles and motor caravans are being parked in the bay for days at a time, and that these vehicles may be being used for camping. It is considered that introducing a maximum stay restriction in this bay will provide useful amenity to regular short stay visitors, as well as discouraging activity which is not lawful on the public highway.

This restriction is therefore proposed to improve the amenity of the area through which the affected length of road runs.

The attached drawings, numbered TQ2004NES and TQ2304NWS show the lengths of roads affected by the proposed Order.
