

Code of conduct for dog owners

✓ **DO keep your dog under control**

There are other users in the park and Buchan is a wildlife conservation area. The disturbance of wildlife can have dramatic consequences.

✓ **PICK up after your dog**

Dog mess is a bio-hazard. Not only is not nice to step on, it can cause blindness if it comes into contact with someone's eyes.

✓ **USE the dog bins provided**

There are 12 green dog bins dotted around the park. No one likes to see bags of dog waste hanging in a tree or left by the path.

✓ **ENCOURAGE other dog owners to act responsibly**

This is a public space, it is up to us to work together to

Keep Buchan Beautiful!
