ORGANISATION CHART

West Sussex County Council has a corporate leadership team led by a Chief Executive. There are four Executive Directors (one of whom also fulfils the role of Deputy Chief Executive). Each Executive Director is responsible for specific corporate activities and is supported by Directors with specialist portfolios. The acting up arrangements within the Communities & Public Protection Directorate are currently under review.

Salary bands indicated in the chart below are in brackets of £5,000, and incorporate base pay only. Strategic management group salaries do not have a minimum and maximum point; instead there are reference points for appointment and recruitment. The chart is accurate as at 1/7/16 and is therefore the most up to date information available.

Senior staff remuneration for the audited accounts year ended 31/3/16 is [published separately](#). The information also includes previous posts and post holders as applicable to 2015/16.
