Appeals relating to adult social care
For people needing social care support and their carers

If you are having difficulty meeting the 15 day timescale, you need to explain the reasons why this decision was made. This will be within 10 working days from the time the appeal was referred to the Head of Adult Social Care.

• If you are not satisfied with the final outcome you can contact the Local Government Ombudsman. The service is independent, impartial and free.

Local Government Ombudsman
The appeals process does not affect your rights to contact the Local Government Ombudsman at any time. However, they will only usually investigate a complaint after you have given us a chance to deal with it ourselves first.

You can find more details in the leaflet ‘How to complain to the Local Government Ombudsman’ which is available from any County Council office, Help Point or library. Or you can contact:

An appeal is a request for a review of a decision(s) taken by local social care officers about your eligibility to receive funded social care, your assessments, your personal budget or your support plan. It is one of a range of options for dealing with concerns or complaints.

We try to make sure that we always provide a high-quality service and sort problems out straight away wherever possible, but we know that there may be times when you are not satisfied. Our appeals process provides a simple way for you to request a review of the decision(s) and to receive a quick response.

**Who can appeal?**
Any adult (including carers) who:
- has been assessed as eligible to receive funded social care support;
- has been assessed as not eligible to receive funded social care support; or
- has had a financial assessment for the provision of care.

**Can someone else appeal on my behalf?**
Appeals can be made on behalf of someone meeting the above criteria by anyone who:
- is a person’s recognised representative, for example, a relative, a carer, an advocate or someone with Power of Attorney; or
- is making an appeal on a person’s behalf with their consent.

**What can I appeal about?**
The following issues can be dealt with through the appeals process.
- **Eligibility** – the decision by the County Council about whether you are eligible to receive funded social care support and/or what needs the County Council should meet.
- **Self-assessment** – whether you feel the County Council has taken sufficient account of the information you provided.
- **Assessment** – the County Council’s view of your needs.
- **Financial assessment** – The amount of disability-related expenditure we take into account when assessing a contribution for providing your care.
- **Support Planning** – the level of choice you have about how the outcomes set out in your support plan are met.
- **Personal budget** – the amount of money allocated to you to meet your outcomes.

**What if I need help to make an appeal?**
If you need help to make an appeal please contact us and we will help you find an advocacy service (someone who will act on your behalf).

You can also find information about available advocacy services by visiting our website www.westsussex.gov.uk and searching for ‘Someone to speak for you’.

**How do I appeal?**
- You, or someone acting on your behalf, will need to contact our Customer Relations Team, a social care worker, or member of staff who has been working with you, to explain that you want to appeal against a decision. If you are a carer wishing to appeal about your own support, you can also contact a member of staff at Carers Support West Sussex.
- You need to clearly set out the issues you are appealing about. This must be within **15 working days** of being notified of the decision you are appealing against. You can do this in writing, by phone, face-to-face or by email. The contact details of the Customer Relations Team and Carers Support West Sussex are at the end of this leaflet.
