WEST SUSSEX COUNTY COUNCIL
(BOXGROVE: THE STREET & ADJOINING ROADS)
(20MPH & 30MPH SPEED LIMIT) ORDER 202*

Statement Of Reasons For Proposing To Make The Order

The County Council in exercise of their powers under the Road Traffic Regulation Act 1984, propose to make a permanent Order the effect of which will be to introduce a 20mph speed limit on lengths of Abbots Close, Church Lane, The Close, Crouch Cross Lane, Priors Acre, St Blaises Road, St Marys Road and The Street (including the spur leading to Abbots Close and Priors Acre)

The Street runs through the village of Boxgrove between the A27 and the A259. The Street is a narrow route and the northern section running southbound to the village centre has no footway. The route is well used with a number of vulnerable road users travelling to and from the primary school, accessing public rights of way and cycle routes, the equestrian centre and bus stops. The speed limit in the village centre is 30mph as the roads are restricted roads by virtue of being street lit.

Concerns have been raised locally about road safety and general traffic speed and it is also noted that The Street is used as an unofficial rat run between the A27 and the A285 and to Goodwood. The Parish Council have requested that the speed limit in the village be reduced to 20mph.

The application has been assessed in accordance with the West Sussex Speed Limit Policy. A 20mph speed limit is justified due to the nature of the route and the high numbers of vulnerable road users using it. It is proposed that the speed limit be reduced between the northern village gateway and the southern gateway entrance point. To encourage compliance with the new speed limit in addition to repeater signage it will be supported by road marking roundels, at both Speed Limit Terminal locations, and additional roundels approaching the centre of the village.

This Order is proposed so as to reduce danger to persons or other traffic using the road or to minimise the likelihood of any such danger arising, and for preserving or improving the amenity of the area through which the road runs.

Drawing CHI2401 Boxgrove – The Street proposed speed limit shows the lengths of roads, which are the subject of the proposed order.
