Am I eligible for a Bus Pass?

If you live within the administrative area of West Sussex County Council i.e. pay your council tax to West Sussex County Council, are disabled and qualify under the criteria as laid out in the Transport Act 2000 (Section 146 of the Act) you may be eligible for free travel. The criteria for a Disabled Person's Bus Pass is shown on page 2 of this form. All new and renewal applicants must provide the necessary proof as specified for their particular disability. Your application may be refused unless the exact specified proof is presented, so please read carefully.

When can I use my Bus Pass?

Once you have received your Disabled Person's Bus Pass, you will be able to travel free using **off-peak travel** on local bus services (excluding tube/DLR, rail, tram, coach, express or excluded Park and Ride services, Dial-a-Ride community transport and local ferry services) throughout England. The pass is valid for use at the following times:

Location	Weekdays (excluding public holidays)	Weekends and Public Holidays
West Sussex	Anytime	Anytime
Any other local authority in England (Not all authorities offer earlier discretionary start times – you should check before travel)	9.30 a.m. to 11.00 p.m.	Anytime
Transport For London Buses (you cannot use your pass on the Underground, DLR, Trams or non TfL buses)	9:00 a.m. to 4:30 a.m.	Anytime

Pass Use

Free travel is only permitted on local bus services in England within the hours shown above, on production of a valid bus pass. At all other times a fare must be paid in accordance with the fares charged by individual operators and cannot be reclaimed from the operator, the local district, borough, city or county council. Note that a railcard allows one third off off-peak rail fares. Applicants are only permitted one pass per person and this should be provided by the authority responsible for where they live. If you lose your bus pass, it is damaged beyond use or you wish to update your photograph, you will be charged a non-refundable fee. Please contact the West Sussex Bus Pass Information Line on **033 022 26222**.

Companion Pass

Applicants who would not be able to regularly make a journey without requiring assistance from a travelling companion to either get on and off the bus, or find out information about the journey (such as a route number or when their stop is) may be eligible for a Companion Pass. A specialist's opinion (someone independent who understands your medical condition) on travel arrangements would be taken into consideration when the application is being assessed. Please submit this in addition to your evidence of disability. **Companion travel is not permitted everywhere in England. You cannot use the companion element (if applicable) of a Companion pass outside of West Sussex.**

How long does a Pass last for?

Most bus passes are valid for up to 5 years. The expiry date may vary depending on the disability evidence provided. Up-to-date medical evidence may be required for renewal of your bus pass. The expiry date is printed on the front of your pass. Expired passes may be replaced free of charge but may also be dependent on the renewal evidence.

Proof of Eligibility Advice: Please note the Concessionary Travel Legislation does not require applicants to be reimbursed for any expenses incurred during the application process. Some medical professionals, including the NHS and G.P's may make a charge to provide evidence so applicants are recommended to submit existing documents relating to their condition and past treatment, rather than asking for a new letter of support specifically for a bus pass application.

Department for Transport eligibility Guidance says that using an applicant's G.P. to verify that an individual meets the criteria for a Concessionary Travel pass is an unsatisfactory arrangement, both for the G.P. and the administrators of the scheme. The main argument against this approach is that it compromises the doctor/patient relationship.

The Council will however accept supporting documentation (e.g. Patient Summary, Prescription List, or other information) from a G.P. in the absence of any alternative, but the evidence must be sufficient to show how an applicant meets the qualification criteria. It is important that any supporting information provides facts about how the applicant's condition affects their ability to carry out day to day activities, rather than opinion on whether a person is eligible for, or would benefit from, a bus pass. Examples of factual statements include:

- A specific distance a person can walk without experiencing severe pain or breathlessness
- How a person needs help to carry out day to day activities e.g. shopping or personal care
- When a disability started and how long it is expected to last

Please note the onus is on the applicant to demonstrate eligibility and the Council will not contact an applicant's own G.P. or other medical professional involved in their care on their behalf.

Personal Independence Payment (PIP) documents are useful evidence to provide, but please ensure you send all the pages showing the points that have been awarded in all activities.
