Traffic Regulation Order Restrictions: Using the Map Browser

For information about Traffic Regulation Orders Restrictions and to access the Traffic Regulation Order Restrictions Map please visit our website:

<https://www.westsussex.gov.uk/roads-and-travel/traffic-regulation-orders/>

See some '[Tips for Using the Map Browser](#)' on page 5.

Search for an Address – Option 1

To use the address search:

1. Enter address details in the address search tool on the map pane – results will appear as you type (Highlighted red in Figure 1).
2. Select the required address. The map will zoom to that location (Figure 2).

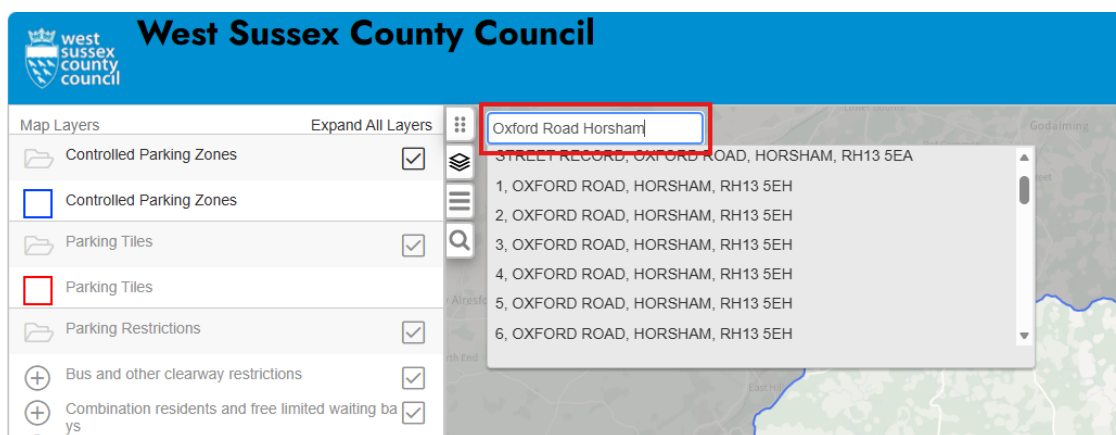

Figure 1: Address Search – Option 1

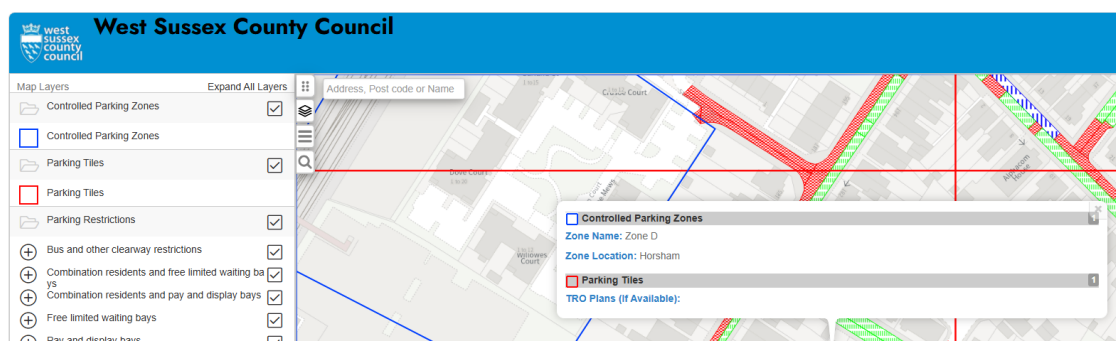

Figure 2: Select an address to zoom to that location

Search for an Address – Option 2

To use the address search:

1. Click the Magnifier (circled red in Figure 3).
2. Enter address details – results will appear as you type (Figure 4).
3. Select the required address. The map will zoom to that location (Figure 5).

Find a Restriction – Option 1

1. Restrictions are only visible when the map is zoomed into street level.
2. Once you have located your area of interest. If you hover your mouse over the colored restrictions (Red X in Figure 6) you will see a summary of the restriction. If this location is within a Parking Zone that information will also be displayed.

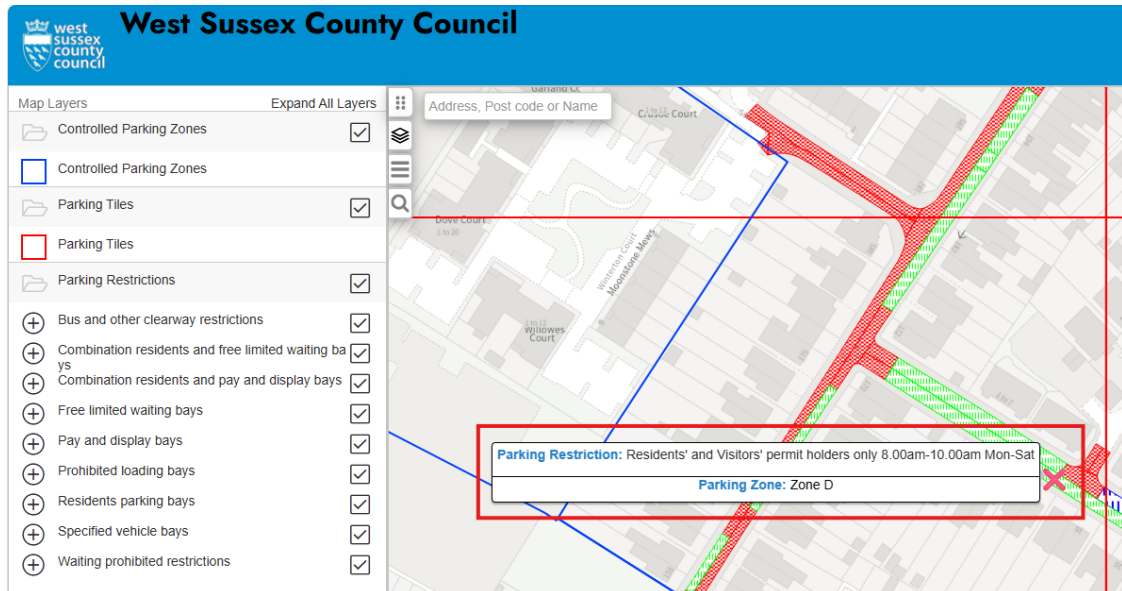

Figure 6: Mouse hover

Find a Restriction – Option 2

1. Restrictions are only visible when the map is zoomed into street level.
2. Once you have located your area of interest. Single left click (or tap) on the colored restrictions (Red X in Figure 7) you will see a more detailed summary of the restriction in a pop out balloon. This option will also provide the opportunity (if available) to view a PDF of the TRO Plan and (if available) a hyperlink to the documentation available on the Traffic Penalty Tribunal website (<https://tro.tpt.gov.uk/>).

Predefined Searches/Queries

Some search tools configured specifically for our more popular / frequently requested searches are also available.

1. Select the burger tab to see the predefined search tools (Figure 8).
2. Pick any that are of interest and work through completing or selecting any required fields (Figure 8).

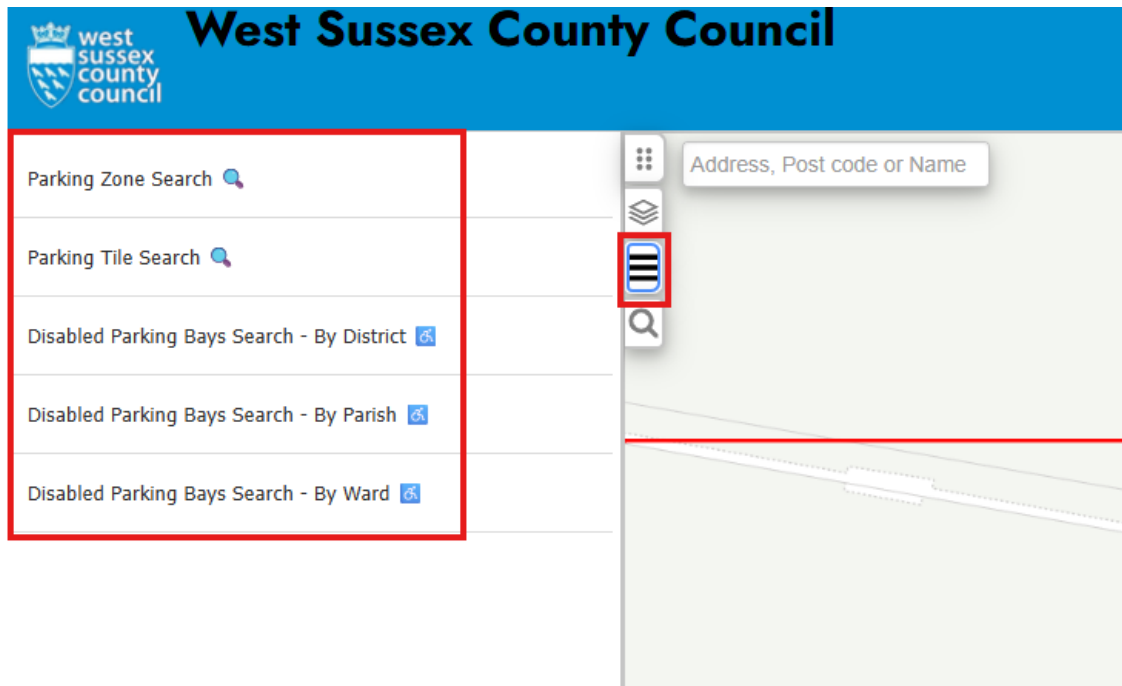

Figure 8: Predefined searches

3. Use the back and / or cancel options to undertake a new search or go back to perform a different search

Tips for Using the Map Browser

To **navigate** around the map:

- Click and drag the map.

To **zoom in and out**:

- Click the plus (+) and minus (-) in the top right corner of the map (Figure 10).
- Use the mouse wheel.

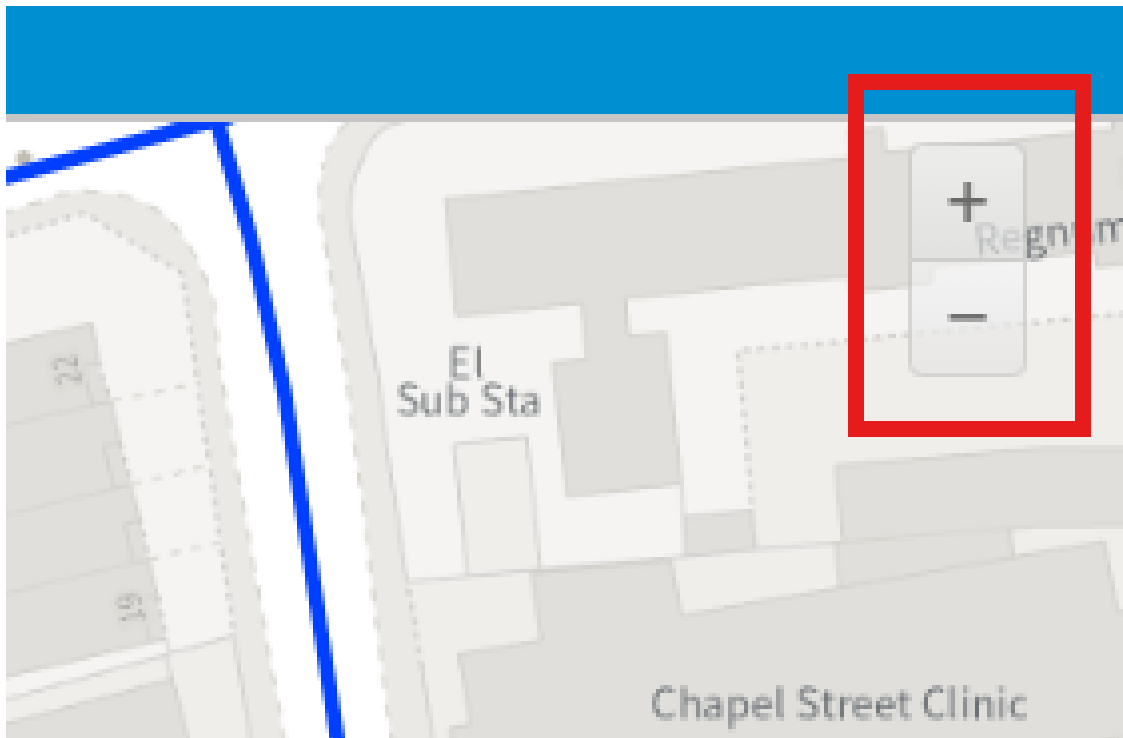

Figure 10: Panning and zooming in and out on the map

To turn **layers on and off**:

- Click the layers icon.

Figure 11: the layer pane icon

- Layers are grouped into folders.
- Click the folder icon next to a layer group name to open or close the folder.
- Opening a folder will expose a list of one or more layers.
- Click the tick box to turn a layer or group on or off.
