**(40MPH SPEED LIMIT) ORDER 202\***

**Statement Of Reasons For Proposing To Make The Order**

The County Council in exercise of their powers under the Road Traffic Regulation Act 1984, propose to make a permanent Order the effect of which will be to reduce the speed limit to 40mph on the length of Stane Street from a point 205 metres east of Old Arundel Road, north-eastwards for a distance of 400 metres.

A new access to the Rolls Royce Site on Stane Street Westhampnett has been constructed. The location of the access is beyond the extent of the 30mph village speed limit on an unrestricted length of Stane Street. During the planning process it was identified that the speed limit should be reviewed to ensure vehicles using the access have the appropriate visibility to enter and exit the site safely.

The speed limit has been assessed in accordance with the West Sussex Speed Limit Policy. To improve safe access and egress it is proposed to reduce the speed limit to 40mph on a 400m length of Stane Street. The 40mph speed limit will not only cover the access but will create a buffer length to provide transition to the 30mph speed limit on the south-west approach to Westhampnett village.

This Order is proposed so as to avoid danger to persons or other traffic using the road or to minimise the likelihood of any such danger arising and for facilitating the safe passage of any class of traffic (including pedestrians).

Drawing CHI9007: Westhampnett – Stane Street Proposed 30mph Speed Limit (12.12.2024) shows the length of road, which is the subject of the proposed order.
